**Walking Like Jesus Did** Larry E. McCall, 2005 In these chapters we will focus on certain character traits Jesus demonstrated during His earthly ministry We will also explore explicit biblical commands to mirror those character traits of Jesus in our daily lives Introduction p 2 *Walking Like Jesus* Dr Larry McCall, 2022-02 Mirroring the character of Jesus should be the normal pattern of life for a Christian says author Larry McCall In *Walking Like Jesus* he explains 14 character traits of Jesus life and he explains how those traits can and should be reflected in the daily lives of Jesus followers Getting Back on Track Jo-Anna Culy, 2016-12-05 Imagine a church where many of the needs of younger women are being met by trained older women It would not be a problem free church but it would be a healthy church where pastors are free to focus on their biblical responsibilities Although younger women need the guidance of godly older women more than ever older women remain the most untapped resource in the church today Some feel dispensable undervalued or overlooked Many simply don't understand the role God calls them to have with younger women or know how to fulfill it *Getting Back on Track* is an invitation to discover from Scripture what the role of the biblical mentor is and how God wants to use older women to help move younger women toward maturity in Christ It is solidly grounded in Scripture from beginning to end and is written for the older woman church leader or younger woman who aspires to be a godly older woman someday Studies in the Gospel of Mark William J.
