Salisbury,2023-03-10 To quote a classic song We all need a little help from our friends How true is this I welcome you to my first and maybe only daily devotional I love that word and at the same time feel like it is rather boring I do know that devoting my time to growing in the way God has for me is what makes life BEAUTIFUL The word devotional sounds stuffy and too traditional to me so lets back it up a bit and call it a daily Counter Culture The next 30 days will be an opportunity for you to jump on to the get your feelings hurt band wagon as I encourage you to dig deeper than YOU have ever been You can be at any place and season in life and be going through hell or simply just walking out a glorious life What I hope you get from this is that on your on level I will challenge you to look at who you are how you are living and what God is telling you to do next I know from my personal experience with being attentive to God s prompting and I have to mention that my obedient nature is not fine tuned and I often need a 2nd 3rd or 100th prompting to finally get it right or just get it going that when he says move it is usually not MOVE and here are all the steps you need in the order you ll need them and the exact days you ll be doing them Yeah um no It is most often a simple JUST TAKE ONE STEP RIGHT NOW Followed by take another and then continue So my dear sweet friends step out of your normal routine and in faith with me take a moment everyday for the next 30 and lets get going on our walk **One Step at a Time** Sébastien Sasseville,2018-08-10 Do you have a dream but don t

Irresponsible,2021-06-02 In 2020 the world went to hell in a handbag This isn t exactly headline news although it was then I went from perfectly locatable in the Cotswolds to utterly baffled in the American wilderness when I embarked on a quest to

walk from Mexico to Canada for reasons that escape me It was most probably nothing more dramatic than a mid life crisis Perhaps I should have come home but I lived in the deluded optimism the pandemic would all be over by the summer Besides I d given up my home shoving my belongings into storage persuaded someone to look after my cat and someone else to look after my car I did think about returning but each time I popped into civilisation to top up my supplies I discovered a new reason to run for the hills So home became a tent a mere flimsy bit of fabric to protect me from every conceivable terror that exists in the wilderness bears rattlesnakes deserts avalanches and other human beings Most dangerous of all was the racket inside my head Everything you ever taught me is my journey relying on nothing other than the twelve steps of recovery teaching me to take it one day at a time one step at a time and one bloody ginormous mountain at a time as I staggered my way along the Pacific Crest Trail As mid life crises go I remain utterly clueless why mine took me from my sofa to the Canadian border via the fridge powered only by two chubby legs and a fat arse
