

WALLY YONAMINE

The Man Who Changed Japanese Baseball

Robert K. Fitts | Foreword by Senator Daniel K. Inouye

Wally Yonamine The Man Who Changed Japanese Baseball

Robert K. Fitts

Wally Yonamine The Man Who Changed Japanese Baseball:

Wally Yonamine Robert K. Fitts, 2008-09-01 Wally Yonamine was both the first Japanese American to play for an NFL franchise and the first American to play professional baseball in Japan after World War II This is the unlikely story of how a shy young man from the sugar plantations of Maui overcame prejudice to integrate two professional sports in two countries In 1951 the Tokyo Yomiuri Giants chose Yonamine as the first American to play in Japan during the Allied occupation He entered Japanese baseball when mistrust of Americans was high and higher still for Japanese Americans whose parents had left the country a generation earlier Without speaking the language he helped introduce a hustling style of base running shaking up the game for both Japanese players and fans Along the way Yonamine endured insults dodged rocks thrown by fans initiated riots and was threatened by yakuza the Japanese mafia He also won batting titles was named the 1957 MVP coached and managed for twenty five years and was honored by the emperor of Japan Overcoming bigotry and hardship on and off the field Yonamine became a true national hero and a member of Japan s Baseball Hall of Fame **Banzai Babe**

Ruth Robert K. Fitts, 2018-08-01 In November 1934 as the United States and Japan drifted toward war a team of American League all stars that included Babe Ruth Lou Gehrig Jimmie Foxx future secret agent Moe Berg and Connie Mack barnstormed across the Land of the Rising Sun Hundreds of thousands of fans many waving Japanese and American flags welcomed the team with shouts of Banzai Banzai Babe Ruth The all stars stayed for a month playing 18 games spawning professional baseball in Japan and spreading goodwill Politicians on both sides of the Pacific hoped that the amity generated by the tour and the two nations shared love of the game could help heal their growing political differences But the Babe and baseball could not overcome Japan s growing nationalism as a bloody coup d tat by young army officers and an assassination attempt by the ultranationalist War Gods Society jeopardized the tour s success A tale of international intrigue espionage attempted murder and of course baseball Banzai Babe Ruth is the first detailed account of the doomed attempt to reconcile the United States and Japan through the 1934 All American baseball tour Robert K Fitts provides a wonderful story about baseball nationalism and American and Japanese cultural history **Sports Through the Lens of Economic History**

Richard Pomfret, John K. Wilson, 2016-08-26 From professional team sports to international events such as the Olympics and Tour de France the modern sports industry continues to attract a large number of spectators and participants This book edited by Richard Pomfret and John K Wilson analyzes the economic evolution of sports over the last 150 years from a pastime activity to a big business enterprise It begins at a time when entrepreneurs and players first started making money from professional sports leagues through to the impact of radio and TV in the twentieth century and onto the present day

Mashi Robert K. Fitts, 2020-04-01 In the spring of 1964 the Nankai Hawks of Japan s Pacific League sent nineteen year old Masanori Murakami to the Class A Fresno Giants to improve his skills To nearly everyone s surprise Murakami known as Mashi dominated the American hitters With the San Francisco Giants caught in a close pennant race and desperate for a left

handed reliever Masanori was called up to join the big league club becoming the first Japanese player in the Major Leagues Featuring pinpoint control a devastating curveball and a friendly smile Mashi became the Giants top lefty reliever and one of the team s most popular players as well as a national hero in Japan Not surprisingly the Giants offered him a contract for the 1965 season Murakami signed announcing that he would be thrilled to stay in San Francisco There was just one problem the Nankai Hawks still owned his contract The dispute over Murakami s contract would ignite an international incident that ultimately prevented other Japanese players from joining the Majors for thirty years Mashi is the story of an unlikely hero caught up in an American and Japanese baseball dispute and forced to choose between his dreams in the United States and his duty in Japan Great Athletes ,2010 **Japan Now** ,1998 **Journal of Sports Media** ,2006 *The Ballplayers* Mike Shatzkin,Stephen Holtje,1990 Contains over five thousand biographies of players managers and other baseball personalities and the histories of teams leagues and stadiums **The Baseball Research Journal** Society for American Baseball Research (Sabr),2006-01-20 The Baseball Research Journal presents baseball research with a strong analytical approach Made up of statistical studies in depth examinations of playing techniques and articles focusing on baseball as a business the Baseball Research Journal draws from the research efforts of members of the Society for American Baseball Research Choice ,2009 **USA Today** ,2000 **Transpacific** ,1989 **Index to the Honolulu Advertiser and Honolulu Star-bulletin** ,1991 **Sports in North America: Sports, prosperity, conformity, cultural stirrings, 1950-1960** Thomas L. Altherr,Larry K. Menna,2004 **Holiday** ,1954 *Remembering Japanese Baseball* Robert K. Fitts,2005 You Gotta Have Wa Robert Whiting,2022-03-22 From the author of Tokyo Junkie the definitive book on Japanese baseball and one of the best written sports books ever San Francisco Chronicle One might expect the sport of baseball in Japan to be a culture clash a collision of American individualism with the Japanese focus on wa or harmony Instead it has turned into a winning symbiosis Imported American sluggers some past their primes have found new life in the East and have given credibility to the Japanese game A succession of Japanese stars like Hideo Nomo left their teams to find success in the US major leagues enabling MLB International to make hundreds of millions of dollars selling TV and licensing rights to its games in Japan While philosophical differences remain You Gotta Have Wa guides you through the strange and fascinating world of besuboru or baseball With a history of the game in Japan and an overview of the Japanese leagues and their rules this book follows the careers of players and managers who influenced the game in the East and vice versa including Babe Ruth Ichiro Suzuki Bobby Valentine and Sadaharu Oh the Japanese homerun king Whether you are a Yankees or a Red Sox fan a sports or an enthusiast of Japanese culture simply sit back and enjoy the wonderful stories in You Gotta Have Wa one of the most unusual baseball books of the season The New York Times A wonderfully entertaining look at baseball and wa Time A terrific fast paced account of Japanese baseball Chicago Tribune A funny look at baseball in Japan that is as much a work of cultural anthropology as a sports book Playboy **The Rise of Japanese Baseball Power** Robert

Obojski,1975 **Remembering Japanese Baseball** Robert K. Fitts,2005 Remembering Japanese Baseball An Oral History of the Game transports us onto diamonds and into dugouts on the other side of the globe where the vigorous sportsmanship of the game and the impassioned devotion of its fans transcend cultural and geographic borders and prove that baseball is fast becoming an international pastime Called Yakyu baseball has been played in Japan since the 1890s but has only recently gained a substantial global following Robert K Fitts chronicles the nation s distinctive version of the sport as recounted by twenty five of its players Fitts s careful choice of subjects represents the experiences of a mix of American and Japanese players including stars titleholders and members of the Japanese Hall of Fame Informal candid and remarkably specific these recollections describe teammates and opponents corporate owners and loyal fans triumphs and frustrations collectively capturing all the spirit and emotion engendered by the game from decidedly personal vantage points Throughout readers glimpse the unique traits of baseball in Japan and discern how the game has evolved since its inception as well as how it differs from its American counterpart An unparalleled introduction for an American audience Remembering Japanese Baseball is augmented by photos of its twenty five interviewees and a timeline demarking milestone moments in the game s Japanese history Robert Whiting author of You Gotta Have Wa and The Meaning of Ichiro provides the foreword The Meaning of Ichiro Robert Whiting,2009-09-26 Matsui Nomo Sasaki Ichiro the so called American National Pastime has developed a decidedly Japanese flair Indeed in this year s All Star game two of the starting American League outfielders were from Japan And for the third straight year Ichiro the fleet footed Seattle Mariner received more votes for the All Star game than any other player in the game today Some 15 years ago in the bestseller You Gotta Have Wa Robert Whiting examined how former American major league ballplayers tried to cope with a different culture while playing pro ball in Japan Now Whiting reverses his field and reveals how select Japanese stars have come across the Pacific to play in the big leagues Not only have they had to deal with the American way of life but they have individually changed the game in dramatic fashion
