Walt Disney, 1984 **Kem Weber** Christopher Alan Long, 2014-01-01 The first major look at the renowned industrial designer and architect who helped to shape the look of American modernism from the 1920s through the early 1950s For German born Kem Weber 1889-1963 design was not about finding a new expression it was about responding to structural economic and social requirements characteristic of our daily routine of living He sought to ensure that each design he produced whether a piece of furniture or a building or an interior was an improvement that responded to modern needs and modern life Weber was a leading figure of modernism on the West Coast from the 1920s through the early 1950s and his work greatly influenced the California style of the time His most iconic designs were his Bentlock line the Air Line chair the interiors for the Bixby House and his tubular steel furniture for Lloyd This book a result of significant new primary research in the Weber family's archives represents the first major study of the life and career of this important designer Christopher Long details the full range of Weber's contributions focusing particularly on the part he played in the advancement of American modernism and his role in heralding a new way of making and living **Leaders** General Stanley McChrystal, Jeff

Eggers, Jay Mangone, 2018-10-23 An instant national bestseller Stanley McChrystal the retired US Army general and bestselling author of *Team of Teams* profiles thirteen of history's great leaders including Walt Disney Coco Chanel and Robert E Lee to show that leadership is not what you think it is and never was Stan McChrystal served for thirty four years in the US Army rising from a second lieutenant in the 82nd Airborne Division to a four star general in command of all American and coalition forces in Afghanistan During those years he worked with countless leaders and pondered an ancient question What makes a leader great He came to realize that there is no simple answer McChrystal profiles thirteen famous leaders from a wide range of eras and fields from corporate CEOs to politicians and revolutionaries He uses their stories to explore how leadership works in practice and to challenge the myths that complicate our thinking about this critical topic With Plutarch's *Lives* as his model McChrystal looks at paired sets of leaders who followed unconventional paths to success For instance Walt Disney and Coco Chanel built empires in very different ways Both had public personas that sharply contrasted with how they lived in private Maximilien Robespierre helped shape the French Revolution in the eighteenth century Abu Musab al Zarkawi led the jihadist insurgency in Iraq in the twenty first We can draw surprising lessons from them about motivation and persuasion Both Boss Tweed in nineteenth century New York and Margaret Thatcher in twentieth century Britain followed unlikely roads to the top of powerful institutions Martin Luther and his future namesake Martin Luther King Jr both local clergymen emerged from modest backgrounds to lead world changing movements Finally McChrystal explores how his former hero General Robert E Lee could seemingly do everything right in his military career and yet lead the Confederate Army to a devastating defeat in the service of an immoral cause Leaders will help you take stock of your own leadership whether you're part of a small team or responsible for an entire nation
