The Discomfort Zone Marcia Reynolds, 2014-10-13 Leaders coaches and mentors are charged with helping others to stretch their limits However few people enjoy hearing the messy and sometimes painful feedback it takes to overcome a personal obstacle Marcia Reynolds shows how to use the discomfort zone to help others grow not suffer **Coach the Person, Not the Problem** Marcia Reynolds, 2020-06-02 Master one of coaching s toughest skills using reflective inquiry to help clients see themselves and their world through new eyes An essential resource Deb Giffen Wharton Executive Education Coaches rely far too much on asking open ended questions says Marcia Reynolds a founding member of the coaching movement But questions only seek answers inquiry provides insight When instead of just questions clients hear their

thoughts opinions and beliefs spoken by someone else it prompts them to critically consider how their thinking affects their goals In this book Reynolds cites the latest brain science to show why reflective inquiry works and provides techniques tips and structures for creating breakthrough conversations Freeing coaches from the cult of asking the magical question she offers five essential practices of reflective inquiry Focus on the person not the problem Summarize what is heard and expressed Identify underlying beliefs and assumptions Unwrap the desired outcome Articulate insights and commitments Using these practices combined with a respectful and caring presence helps create a space where clients feel safe seen and valued for who they are Coaches become change agents who actively recharge the human spirit And clients naturally dive deeper and develop personalized solutions that may surprise even the coach
