Empowering Spirit Wisdom Kevin Hunter,2014-02-15 In Empowering Spirit Wisdom Kevin Hunter relays heavenly guided messages for everyday life concerns As a soul living a physical life you require basic necessities to function and live a more prosperous life The things that tend to consume most people on a regular basis are relationships health home and career Two of the biggest topics people tend to ask about most are matters related to love and work Everyone wants to be happy at their job and or they want a successful partnership with a loving soul mate It s not enough to be connected spiritually but you also have practical desires in order to function more efficiently on Earth Some of the topics covered in Empowering Spirit Wisdom are guidance and discussions surrounding your own soul spirit and the power of the light the more realistic side of the laws of attraction finding meaningful work transforming your professional and personal life attracting in love navigating through the various stages of dating and love relationships as well as other practical affirmations and messages from the Archangels Author Kevin Hunter passes on the sensible wisdom from his Spirit team in this Light filled inspirational book What Readers Have Said I enjoyed the chapters on love and relationships the most I really like how the author expresses things directly and very energetically A Reader I loved the manifesting chapter in this book Empowering Spirit Wisdom How many times do we think and

immediately deny it because we feel so undeserving or we don't believe it can happen I will put into practice what the author suggests from now on in taking care of my thoughts and making them more positive A Reader Holy smokes I don't even have to pester anyone because all the questions I've had seemed to pretty much get answered in this book The author comes off so loving and so awesome A Reader I really enjoyed Empowering Spirit Wisdom and I am glad that I found an author of books that are in alignment with my beliefs A Reader This is the first time for me reading one of Kevin Hunter's books I was curious what a Warrior of Light would have to say on Love Career and the Spirit World because I consider myself being a kind of warrioress within To me the language of the author is quite energetic and committed He and his Spirit team come straight to the point No glossing over no beating about the bush but clear information instead Which actually is very encouraging because our abilities and responsibilities as humans are also addressed directly I very much enjoyed the chapters on love and relationships because they speak from the heart This book provides a lot of interesting and important information Sometimes it feels like a sheer stream of insights that come along like waves I loved it A Reader [Tarot Card Meanings](#) Kevin Hunter, 2016-11-16 Tarot Card Meanings is an encyclopedia reference guide that takes the Tarot apprentice reader through each of the 78 Tarot Cards offering the potential general meanings and interpretations that could be applied when conducting a reading whether it be spiritual love general or work related questions Many novices struggle with reading the Tarot as they want to know what a card can mean in their readings They grow stuck staring at several cards sitting side by side having no idea what it could be telling them The Tarot Card Meanings book can assist by pointing you in the general direction of where to look It will not give you the ultimate answers and should not be taken verbatim as that is up to you as the reader to come to that conclusion The more you practice read and study the Tarot then the better you become Tarot Card Meanings avoids diving into the Tarot history or card spreads and symbolism but instead focuses solely on the potential meanings of a card in a reading This is by giving you a structure to jump off of but it is up to you to take that energy and add the additional layers to your reading while trusting your higher self intuition instincts and Spirit team's guidance and messages Author Kevin Hunter is a lifelong clairaudient and claircognizant who has written more than a dozen spiritually based empowerment books that have assisted readers around the world in improving their well being while also helping them become stronger conduits with Spirit Heaven and the Other Side Anything included in the Tarot Card Meanings book is an overview and not intended to be gospel It is merely one suggested version of the potential meanings of each of the 78 Tarot cards in a reading This is an easy to understand manual for the Tarot novice that is having trouble interpreting cards for themselves or a Tarot reader who loves the craft and is looking for a refresher or another point of view NOTE The Tarot Card Meanings book does not include a Tarot deck **Realm of the Wise One** Kevin Hunter, 2014-09-16 In the Spirit Worlds and the dimensions that exist reside numerous kingdoms that house a plethora of Spirits that inhabit various forms One of these tribes is called the Wise Ones a darker breed in the spirit realm who often chooses to incarnate into a human body one

setting sun only to return to cool shining glassy crystal in the purple of evening Yet it was the waterfalls he describes or most specifically the grass of every shade of green that brought me to tears of knowing Even the cover of the book is familiar to me I called it my House Tree as a child with stairs that wind both up and down And a doorway that is higher up to settle and watch the lights in the leaves in the evening I will look for this author in my forest and perhaps in the mountains too or maybe I will return to the crystal city and the dancing there This was an amazing book to me A Reader
