Yui, 2020-10-13 The winds of change are whipping through Sauslind. Malduran officials are headed for the capital to discuss diplomacy and although it was Eli's actions that spurred these talks she has a different errand to attend to. The king's younger brother Bernard has fallen ill. Since it's customary for someone from the royal family to visit in such times Eli is sent in the prince's stead. Along the way devastating secrets are unearthed that threaten to rock the very foundation upon which Eli stands. Is everything she thought she knew a lie? Or does the truth even matter when the worst comes to pass and Sauslind finds itself on the brink of disaster. **A Degree of Truth** Muriel Bolger, 2019-07-04 Her future plans were already decided. Then he came along. When undergraduate student Tansy Nugent lands herself a job as research assistant to debonair university professor Sean Pollard her summer starts to look up. Captivated by his sophisticated ways and affable personality a new world opens up to her far from her sleepy roots and the country life her mother is so keen for her to return to. As feelings they can't act on develop Tansy tries her best to forget the professor and move on eventually falling for a fellow student. But there is always an unspoken presence in the back of her mind. After she graduates Sean unexpectedly arrives back into Tansy's life and the possibility opens up anew of the two becoming closer. But under the charming exterior lies another side to the man and there is much about him she does not yet know. Tansy slowly comes to realise that love sometimes comes at a price and that if something seems too good to be true it probably is.
