Bauer, 2011-05 I'm glad the lighthouse wasn't the keeper's home it was very cold there were photos on the walls that told us about shipwrecks We couldn't go into the tower but I wasn't too disappointed that would be where a ghost would be hiding When a little boy reluctantly travels from Arizona to Oregon to visit a lighthouse he eventually realizes that the towers that light the way for ships are more

fascinating than he ever imagined In *Diaries of Lighthouse Children* Janet Bauer shares a collection of tales that allows others to experience the history and beauty of lighthouses through the eyes of children In this delightful compilation of six short stories that include fascinating facts about each lighthouse a boy who wants to become a detective helps protect the lighthouse from vandals a lonely boy befriends an American Indian boy and learns about whaling and a bashful girl survives the terror of Tsunami wave to help others As each child explores a lighthouse each learns valuable life lessons that teach compassion appreciation and the importance of treasuring family memories *Diaries of Lighthouse Children* is a perfect companion for anyone captivated by the history behind lighthouses **Guardians of the Lights** Elinor De Wire, 2015-10-17

In a charming blend of history and human interest this book paints a colorful portrait of the lives of a vanished breed the lighthouse keepers from the year 1716 when the first lighthouse was established in America to the early 1980s when automation replaced the last human guardian of the light A wealth of material from the archives of the 19th and 20th centuries primarily letters diaries and newspaper accounts provides vivid stories about lighthouse keeping in this country the daily work coping with fog storms and other catastrophes legends and ghosts women s and families roles lighthouse children and pets the natural world around lighthouses and the diverse characters of those who held the job Lighthouse keeping was a unique occupation now obsolete and this book is a fitting tribute to these tough usually solitary and dedicated heroes who kept the lights burning every night without fail
