The Water Lily on the Danube Robert Blachford Mansfield,1853 **Waterlily** Ella Cara Deloria,2009-04-01 When Blue Bird and her grandmother leave their family s camp to gather beans for the long threatening winter they inadvertently avoid the horrible fate that befalls the rest of the family Luckily the two women are adopted by a nearby Dakota community and are eventually integrated into their kinship circles Ella Cara Deloria s tale follows Blue Bird and her daughter Waterlily through the intricate kinship practices that created unity among her people Waterlily published after Deloria s death and generally viewed as the masterpiece of her career offers a captivating glimpse into the daily life of the nineteenth century Sioux This new Bison Books edition features an introduction by Susan Gardner and an index Water Lily Susanna Jones,2011-08-19 Runa is a young Japanese high school teacher leaving the country to avoid the scandal she has created by sleeping with one of her students She steals her sister s passport and boards the ferry to Shanghai Then careful to impersonate her sister she is quiet docile and discreet Meanwhile on the last stretch of a fraught and tiring mission to find a wife an Englishman also boards the ferry Rebuffed in Tokyo Ralph hopes that on the Chinese mainland he will meet a gentle beautiful girl to return home with When these two meet suppressing at first their secrets and obsessions on this long and claustrophobic journey we enter a desolate emotional landscape as Runa s journey begins to turn into a surreal and terrifying nightmare **The secret of the sands; or, The 'Water Lily' and her crew, by Harry Collingwood** William Joseph C. Lancaster,1879 *The Golden West* Alicia Christensen,2011-03-01 In the fifty years since its inception in 1961 the Bison Books imprint at the University of Nebraska Press has published some of the best historical literary and original western literature The Golden West celebrates that continuing mission bringing together some of the most beloved and iconic stories of the American West Here readers will find the classic West from the adventures of the Corps of Discovery to the trials of the Oregon Trail from the diverse landscapes of the Great Plains to the rugged Rocky Mountains and the Willamette Valley from traditional Sioux culture to Buffalo Bill s Wild West Show and from the cowboys ranchers farmers and mountaineers who often make up our western mythology to their American Indian counterpoints in stories about tribal society monumental battles and interaction with white settlers The Golden West holds something for every reader fiction poetry memoir folklore firsthand accounts and all the shades of gray in between *Transforming Ethnohistories* Sebastian Felix Braun,2013-08-26 Anthropologists need history to understand how the past has shaped the present Historians need anthropology to help them interpret the past Where anthropologists and historians needs intersect is ethnohistory The contributors to this volume have been inspired in large part by the teaching and writing of distinguished ethnohistorian Raymond J DeMallie whose exemplary combination of ethnographic and archival research demonstrates the ways anthropology and history can work together to create an understanding of the past and the present Transforming Ethnohistories comprises ten new avenues of ethnohistorical research ranging in topic from fiddling performances to environmental disturbance and spanning places from

North Carolina to the Yukon The authors seek to understand communities by finding and interpreting their stories in a variety of different texts some of which lie outside academic understanding and research methodology It is exactly those stories conventionally labeled myths or oral tradition that ethnohistorians demand we pay attention to Although historians cannot see or talk to their informants as anthropologists do both anthropologists and historians can listen to oral histories and written documents for the essential stories they contain The essays assembled here use DeMallie s approach to contribute to the history and anthropology of Native North America and address issues of literary criticism and contexts sociolinguistics performance theory identity and historical change historical and anthropological methods and theory and the interpretation of histories cultures and stories Debates over the legitimacy of ethnohistory as a specialization have led some scholars to declare its decline This volume shows ethnohistory to be alive and well and continuing to attract young scholars

Gleach,2021-05 The series Histories of Anthropology Annual presents diverse perspectives on the discipline s history within a global context with a goal of increasing the awareness and use of historical approaches in teaching learning and conducting anthropology The series includes critical comparative analytical and narrative studies involving all aspects and subfields of anthropology Volume 14 Centering the Margins of Anthropology s History focuses on the conscious recognition of margins and suggests it is time to bring the margins to the center both in terms of a changing theoretical openness and a supporting body of scholarship if not to problematize the very dichotomy of center and margins itself The essays explore two major themes of anthropology s margins First anthropologists and historians have long sought out marginalized and forgotten ancestors arguing for their present day relevance and offering explanations for the lack of attention to their contributions to theory analysis methods and findings Second anthropologists and their historians have explored a range of genres to present their results in provocative and open ended formats This volume closes with an experimental essay that offers a dynamic multifaceted perspective that captures one of the dominant if sometimes marginalized voices in history of anthropology

Steven O Murray s career developed at the institutional margins of several academic disciplines and activist discourses but his distinctive voice has been and will remain at the center of our history **The Water Lily Cross** Anthony Eglin,2007-05
