VOLUME II: GERMAN SOURCES

Edited by Gareth Glover
Foreword by Nikolaus Prince Blücher von Wahlstatt

Waterloo Archive The Volume Ii The German Sources

Andrew W. Field

Waterloo Archive The Volume II The German Sources:

The Waterloo Archive Volume II: German Sources Gareth Glover,2010-08-09 Histories of the Waterloo campaign and tours of the battlefield generally concentrate on the battle between the armies of Napoleon and Wellington the role of Blucher s Prussians is left in the background Peter Hofscher s fascinating account focuses on the Prussians at the Battle of Waterloo and on their critical but often neglected contribution to the battle He tells the story of the grueling Prussian advance towards the battlefield and he records the ferocious and decisive fight that broke out when they arrived At every stage he allows the reader to follow in the footsteps of the Prussian soldiers as they struggled across the Belgian countryside almost 200 years ago

The Waterloo Archive Volume V: German Sources Gareth Glover,2013-07-19 The British archives of the Napoleonic wars are unique brimming with personal letters to family and friends or journals that record their innermost thoughts The human aspect of war comes to the fore the humor and exhilaration the fears and miseries the starvation and exhaustion the horror and the joy It is usually accepted that very few common soldiers of this period could read or write and that the few letters and journals that do exist emanate from more senior officers who were required to be able to write to perform their duties Volume I proved this to be a fallacy and this volume continues with a further three accounts and shows how the ordinary soldier saw things giving a different aspect to our studies Also included The poignant final letters of older family men such as Major Arthur Heyland jar noticeably with the bawdy and carefree scribbles of youth by such as Ensign Kinchant including describing his visits to bordellos who also lost his life that day A long series of letters by Lieutenant Frederick Johnston of the 6th Inniskillings and of Lieutenant George Blathwayt of the 23rd Light dragoons sheds important light on cavalry regiments who have few previously published memoirs A very interesting letter by Second Lieutenant Richard Cocks Eyre of the 2nd Battalion 95th Rifles makes a mockery of the myth that British troops did not openly plunder the local farmhouses before the battle for food and fuel to burn A letter by a civilian visitor to the area six weeks after the battle ends this volume which will engage and fascinate the reader

Waterloo 1815: The British Army's Day of Destiny Gregory Fremont-Barnes,2014-11-03 Writing to his mother the day after the fighting Captain Thomas Wildman of the 7th Hussars described a victory so splendid important that you may search the annals of history in vain for its parallel Little wonder for Waterloo was widely recognised even in its immediate wake as one of the most decisive battles in history after more than twenty years of uninterrupted conflict this single day s encounter finally put paid to French aspirations for European hegemony The culminating point of the French Revolutionary and Napoleonic Wars Waterloo also witnessed levels of determination and bravery by both sides which far exceeded anything experienced by the veterans of Wellington s recent campaigns in Spain and Portugal Indeed it was that unconquerable spirit which left over 50 000 men dead on the field of battle and tens of thousands of others wounded This thoroughly researched and highly detailed account of one of history s greatest human dramas looks first at the wider strategic picture before focusing on the tactical roles

played by individual British units all meticulously examined with the benefit of an extensive array of hitherto unexploited primary sources which reveal the battlefield experience of officers and soldiers as never before Refusing simply to repeat the same unchallenged accounts and to commit the same errors of previous historians this work relies exclusively on hundreds of first hand accounts by men of all ranks and from practically every British regiment and corps present on that fateful day to provide a fresh and revised perspective on one of the most pivotal events of modern times **Wellington's Waterloo Allies**

Andrew W. Field, 2022-05-05 A fresh look at how Wellington triumphed over Napoleon and a valuable contribution to the Waterloo historiography Journal of Military History For almost two centuries the British perception of the Battle of Waterloo was that it was a great British victory gained over the French tyrant Napoleon achieved in spite of rather than because of the allied contingents in the Duke of Wellington's army Eyewitness accounts by British soldiers encouraged by the doubts expressed in Wellington's dispatches denigrated and vilified the courage and prowess of these allies But in the past twenty years modern historians with better access to the accounts and archives of the allied nations have tried to put the record straight and their efforts have been rewarded by changing attitudes and a greater understanding of the significant part the allies played Andrew Field in the latest of his series of pioneering books on Waterloo makes a powerful contribution to this continuing debate by analyzing in forensic detail the records of these allied forces throughout the campaign In his balanced nonpartisan reassessment he describes the makeup of these forces their training and experience and their military capability Included are graphic accounts of their actions and performance on the battlefield His work is essential reading for all students of the Waterloo campaign Includes maps **Waterloo: The Campaign of 1815, Volume 2** John

Hussey, 2017-09-30 Winner of the 2019 RUSI Duke of Wellington Medal for Military History Winner of the 2017 Society for Army Historical Research Templer Medal Shortlisted for Military History Monthly's Book of the Year Award The first of two groundbreaking volumes on the Waterloo campaign this book is based upon a detailed analysis of sources old and new in four languages It highlights the political stresses between the Allies and their resolution it studies the problems of feeding and paying for 250 000 Allied forces assembling in Belgium during the undeclared war and how a strategy was thrashed out It studies the neglected topic of how the slow and discordant Allies beyond the Rhine hampered the plans of Blücher and Wellington thus allowing Napoleon to snatch the initiative from them Napoleons operational plan is analyzed and Soult's mistakes in executing it Accounts from both sides help provide a vivid impression of the fighting on the first day 15 June and the volume ends with the joint battles of Ligny and Quatre Bras the next day **Waterloo** Andrew W. Field, 2012-10-24 From the author of Talavera an extensive history of the Battle of Waterloo from the losing side's point of view The story of the Battle of Waterloo of the ultimate defeat of Napoleon and the French the triumph of Wellington Blücher and their allied armies is most often told from the viewpoint of the victors not the vanquished Even after 200 years of intensive research and the publication of hundreds of books and articles on the battle the French perspective and many of the primary French

sources are under represented in the written record So it is high time this weakness in the literature and in our understanding of the battle was addressed and that is the purpose of Andrew Field s thought provoking new study He has tracked down over ninety first hand French accounts many of which have never been previously published in English and he has combined them with accounts from the other participants in order to create a graphic new narrative of one of the world s decisive battles Virtually all of the hitherto unpublished testimony provides fascinating new detail on the battle and many of the accounts are vivid revealing and exciting

The American Sharpe Gareth Glover,2016-10-30 Sharpe and his adventures has made the 95th Foot renowned again and the discovery of an unpublished diary by an American from Charleston South Carolina who served despite his father s objections as an officer in this elite regiment has caused great excitement James Penman Gairdner was born in Charleston South Carolina but he was sent back to the Old Country for his education receiving his schooling at Harrow After school rather than joining his father s merchant business he decided to become a soldier receiving a commission in the famous 95th Rifles He subsequently served without a break from the siege of Ciudad Rodrigo in January 1812 until the end of the war in 1814 He then fought in the Waterloo campaign and formed part of the Army of Occupation He was wounded on three occasions Throughout his service he kept a journal which he managed to maintain on almost a daily basis This journal along with a number of letters that he wrote to his family have been edited by renowned historian Gareth Glover and are presented here to the public for the first time Readers will not find dramatic stories of great battles or adventurous escapades Instead Gairdner details the everyday life of one of Wellington s soldiers one of marches and billets of the weather the places and the people of the Iberian Peninsula and of Paris and Occupied France the real nature of soldiering His diaries also highlight the very strange relationship between these newly independent Americans and the Old Country they had so recently fought with which even allowed for a true American boy to fight in the British Army but not in America

Fighting Napoleon Gareth Glover,2017-01-30 These lively and entertaining memoirs provide an intriguing counterpoint to Wellington s better known operations in the Iberian Peninsula Julian Stockwin author of the Thomas Kydd series It is often forgotten that Britain s struggle against Napoleon ranged across the continents and the extensive operations of the Royal Navy and the British Army in the Mediterranean were key battlegrounds in this prolonged war of attrition Even when Napoleon considered himself the master of Europe he was unable to control the Mediterranean Lt John Hildebrand arrived in the Mediterranean as part of the garrison of Malta in 1810 He was then involved in the defense of the island of Sicily the campaign to capture the Ionian Islands the siege of Ragusa and the Occupation of Corfu With the war ending in 1814 John and his regiment returned home only to be sent to Belgium when Napoleon escaped from Elba in 1815 The regiment was not involved at Waterloo but was at Hal where it guarded Wellington s flank during the battle He then marched to Paris with the army Napoleonic students will enjoy this refreshingly different slant on Napoleonic warfare Stuart Asquith author of Stuart Asquith s Wargaming 18th Century Battles Essential reading for military historians and collectors of

Napoleonic War era artifacts and militaria The Armourer Incorporating Classic Arms Militaria *Guide to Hanover Military Records, 1514-1866, on Microfilm at the Family History Library* Teresa S. McMillin, CG, 2014-07-24 Military records for the former Kingdom of Hanover in Germany can include a soldier's date and place of birth his father's name and widow's pensions This publication is the only English language guide to this gold mine of information for genealogists With this guide a researcher can quickly determine all available records for a regiment and time period and know where to find them in the microfilm of the Family History Library FHL Researching a Hanover ancestor is not complete without considering these military records **The Waterloo Archive Volume I: British Sources** Gareth Glover, 2010-01-30 Originally published in 1900 this book features excerpts from Alexander Cavali Mercer's account of the battle of Waterloo As an artillery officer at the sharp end this is his eye witness account of the events that lead to Napoleon's final defeat in June 1815 This is the contemporary view of how the events were conveyed to the public of Great Britain Featuring original engravings from the Illustrated London News and the Graphic and many paintings from the era this book was written during the height of the British Empire and the triumphalist mood of the day is reflected in the tone of the text This detailed military history provides an echo of the contemporary attitudes to this turbulent time which shaped the destiny of the British Empire This book is part of the Military History From Primary Sources series a new military history range compiled and edited by Emmy Award winning author and historian Bob Carruthers The series draws on primary sources and contemporary documents to provide a new insight into the true nature of warfare The series consultant is David McWhinnie creator of the award winning PBS series Battlefield

Reviewing **Waterloo Archive The Volume Ii The German Sources**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence.
