From the World's Finest Markets to the Largest,
Oldest Institution of its Kind in the World

YOU have noticed the extra quality, strength and flavor that you get in Watkins Spices and Extracts—so much better than you can get elsewhere. Your mother and your grandmother before her knew the reputation of Watkins Products for superior quality. For three generations we have jealously guarded this reputation. Each year sees more scrupulous care in our selection of raw materials, more refinements in our manufacturing processes—a constant striving to improve.

Seventy years of buying experience coupled with train-head purchasing power give us the pick of the world's markets at the most favorable prices. For instance, we buy more Vanilla Beans than any one else in the world. In one single express shipment recently we received 200 red cedar boxes of Vanilla Beans weighing 29,500 pounds—the largest single shipment ever imported.

Watkins buys spice purchases affect the world's markets noticeably, for The J. R. Watkins Company is one of the world's largest buyers of spices. Naturally, we get the pick of the crop. Our vanilla bean and spice experts choose the finest which nature grows. Only first quality raw spices, full of the natural oils and with a delightful flavor go into Watkins Spices. Then we mill them so they retain those rich, natural

oils which make foods spicy and give them that appetizing rest and tang.

This same high quality is packed into every one of the 300 Pure Food Products, Toilet Articles, Soaps and Cleaners, Household Medicines, and Stock and Poultry Preparations which come to you under the Watkins label. The Watkins trademark on any product is your assurance that it has passed the tests which have made the reputation of this great institution.

This institution has grown until today it is the largest and the oldest of its kind in the world. There are 10,000 dealers delivering Watkins Products direct to the consumer from our great factories and branches which are strategically located to give customers fresher products and faster service at saving prices.

Get better acquainted with your neighbor, the Watkins Dealer, who supplies you direct from our factories. He has no middlemen's profits or expenses to pay. That's why he can give you much better quality and value for the money.

Every Watkins Dealer is an independent merchant in business for himself. He lives right in your own community and is a part of it. He makes his money there and spends it there. His children go to the schools and his taxes help to maintain them, and other community enterprises.

It will pay you to know your Watkins Dealer and his handy, convenient, economical service. Wait for Watkins—It Pays!
