Tough Calls Nhl Referees And Linesmen Tell Their Story:

Tough Calls Dick Irvin, 1997 Talk about your tough calls It s the fourth game of the Eastern Conference playoffs 1995 Alexei Kovalev of the Rangers is down apparently unconscious At the other end of the rink the Nordiques star forward is rushing the net Joe Sakic fans on the shot and Kovalev doesn t move Andy van Hellemond the game s most experienced referee is somewhere in the middle trying to decide what to do Thinking that Sakic s rush has failed and worried about the man who s down he blows his whistle What he doesn t know is that Sakic has somehow recaptured the puck and scored and that Kovalev is about to get up and skate to the bench But play has been stopped and the goal doesn t count The Rangers go on to win the game in overtime and then the series Fortunately not all calls are that tough And more often than not the officials get them right Most have endured a hard apprenticeship on their way to the big league They have seen just about everything from bench clearing brawls to fish on the ice They re a savvy and tightly knit group They have to be They are connoisseurs of fights Some remember when players fought with two hands instead of grabbing the other guy with one hand while swinging the other Some classic brawls are recalled in these pages Gordie Howe s decisive battle with Lou Fontinato is described by the linesman who broke it up Later expansion era brawls started by Philadelphia s Broad Street Bullies are similarly recalled by officials who knew at least what they were in for when the puck was dropped Following the formula that has worked so well in his previous books Dick Irvin lets the referees and linesmen tell their own story It s notall about mayhem Kerry Fraser reveals the secret of his perfect hairdo Don Koharski explains what happened after New Jersey coach Jim Schoenfeld called him a fat pig And Paul Stewart tells what it s like to make the transition from refereed to referee The stories in *Tough Calls* are as varied colourful funny farfetched and revealing as any collection of anecdotes ever brought together about the game of hockey making this an indispensable addition to every fan s library [Historical Dictionary of Ice Hockey](#) Laurel Zeisler, 2012-12-19 The earliest forms of ice hockey developed over the centuries in numerous cold weather countries In the 17th century a game similar to hockey was played in Holland known as kolven But the modern sport of ice hockey arose from the efforts of college students and British soldiers in eastern Canada in the mid 19th century Since then ice hockey has moved from neighborhood lakes and ponds to international competitions such as the Summit Series and the Winter Olympics *Historical Dictionary of Ice Hockey* traces the history and evolution of hockey in general as well as individual topics from their beginnings to the present through a chronology an introductory essay appendixes and an extensive bibliography The dictionary has more than 600 cross referenced entries on the players general managers managers coaches and referees as well as entries for teams leagues rules and statistical categories This book is an excellent access point for students researchers and anyone wanting to know more about ice hockey *The 1993 Canadiens* K.P. Wee, 2020-01-26 Never to be confused with any previous Montreal Canadien Flying Frenchmen juggernauts who dominated the NHL between the 1950s and 1970s the 1992 93 Canadiens whose lone superstar was future Hall of Fame goaltender

Patrick Roy were essentially a nondescript team coming off an embarrassing second round playoff series sweep against the Boston Bruins the previous spring Yet these Habs led by the goaltending of Roy and with timely goals from various unlikely heroes stunned the hockey world by winning a record 10 consecutive playoff overtime games over a magical seven week run during the spring of 1993 Montreal ultimately captured hockey's ultimate prize that June the 24th championship in franchise history in the last Stanley Cup Finals series ever played at the venerable Montreal Forum While the Canadiens had veteran presence in Kirk Muller Vincent Damphousse Brian Bellows Denis Savard and Guy Carbonneau Montreal might not have won the Cup without unlikely heroes like Gilbert Dionne Stephan Lebeau and Paul DiPietro scoring goals in the clutch Others such as Gary Leeman and Mario Roberge despite not always being in the lineup contributed in ways that didn't necessarily show up on the scoresheet And behind the bench while Jacques Demers made all the right moves that spring he isn't even considered today among the top 50 coaches of all time More than a quarter century later these Habs remain the last Canadian based team to win the Cup and in The 1993 Canadiens Seven Magical Weeks Unlikely Heroes and Canada's Last Stanley Cup Champions K P Wee relives the story of this incredible season
