Tourist Attractions Performing Race And Masculinity In Brazils Sexual Economy

Richard Joseph Martin, Dieter Haller

Tourist Attractions Performing Race And Masculinity In Brazil's Sexual Economy:

Tourist Attractions Gregory Mitchell, 2015-12-09 While much attention has been paid in recent years to heterosexual prostitution and sex tourism in Brazil, gay sex tourism has been almost completely overlooked. In *Tourist Attractions*, Gregory C. Mitchell presents a pioneering ethnography that focuses on the personal lives and identities of male sex workers who occupy a variety of roles in Brazil's sexual economy. Mitchell takes us into the bath houses of Rio de Janeiro where rent boys cruise for clients and to the beaches of Salvador da Bahia where African American gay men seek out hustlers while exploring cultural heritage tourist sites. His ethnography stretches into the Amazon where indigenous fantasies are tinged with the erotic, at eco resorts and into the homes of kept men who forge long-term, long-distance transnational relationships that blur the boundaries of what counts as commercial sex. Mitchell asks how tourists perceive sex workers' performances of Brazilian-ness, race and masculinity and in turn how these two groups of men make sense of differing models of racial and sexual identity across cultural boundaries. He proposes that in order to better understand how people experience difference sexually, we reframe prostitution which Marxist feminists have long conceptualized as sexual labor as also being a form of performative labor. *Tourist Attractions* is an exceptional ethnography poised to make an indelible impact in the fields of anthropology, gender and sexuality and research on prostitution and tourism. Queering Sexualities in Turkey Cenk

Özbay, 2017-05-25 Despite its some of its more liberal and democratic characteristics when compared to many other countries in the Middle East, the more conservative elements within Turkish politics and society have made gains over the past decades. As a result, like many others in the region, Turkish society has multiple standards when naming, evaluating and reacting to men who have sex with men. Cenk Özbay argues that overall, self-identified gay men as well as men who practice clandestine same-sex acts are most of the time marginalised, ostracised and rendered immoral in both everyday practices and social institutions. He offers in this book an analysis of the concept of masculinity as central to redefining boundaries of class, gender and sexuality, particularly looking at the dynamics between self-identified gay men and straight-acting male prostitutes or rent boys. A result of in-depth interviews with both self-identified gay men and rent boys, Özbay explores the changing discourses and meaning of class, gender and queer sexualities and how these three are embedded within urban and familial narratives. *Paid Sexual Encounters among Men* Timothy F. Murphy, 2025-08-14 This book analyzes the ethics of men buying and selling sex to one another. It gathers in one place key ethical and legal issues that bear on the justification for the criminalization of male prostitution. At present, prostitution, the solicitation or offer of paid sexual encounters is criminalized in virtually the entire United States. Male prostitution is poorly studied across academic disciplines and this book represents the first sustained ethical analysis of the topic. First, it shows that paid sexual encounters among men belong on a spectrum of transactional sexual relationships and that many of their features are not distinctive in a way that justifies condemnation. It shows as well that the sexuality involved men having sex with men does not involve relationships that are

immoral in a way that might justify criminalization The book also demonstrates that men buying and selling sexual encounters can consent in morally meaningful ways without reinforcing status inequality Finally the book reviews key constitutional law cases to show that a certain interpretation of the relationship between the law and morality justifies decriminalization of male prostitution Paid Sexual Encounters among Men will appeal to scholars and graduate students working in applied ethics the philosophy of sex and gender sociology and law *The Routledge Handbook of Male Sex Work, Culture, and Society* John Scott, Christian Grov, Victor Minichiello, 2021-03-20 Panoramic and provocative in its scope this handbook is the definitive guide to contemporary issues associated with male sex work and a must read for those who study masculinities male sexuality sexual health and sexual cultures This groundbreaking volume will have a powerful impact on our understanding of this challenging elusive subject While the internet has brought the previously hidden worlds of male sex work more starkly into public view academic research has often remained locked into descriptions of male sex workers and their clients as perverse Drawing from a variety of regions the chapters provide insights into the historical popular cultural social and economic aspects of sex work as well as demographic patterns health outcomes and policy issues This approach shifts thought on male sex work from a hidden social problem to a publicly acknowledged social phenomenon The book challenges myths and reconceptualizes male sex work as a discrete field Importantly it provides a vehicle for the voices of male sex workers and new and established scholars This richly detailed humane and innovative collection retrieves male sex work from silence and invisibility on the one hand and its association with scandal and stigma on the other The findings within have profound implications for how governments approach public health and regulation of the sex industry and for how society can make sense of the complexities of human sexualities A compelling scholarly read and a major contribution to a commercial sector that is often neglected in policy debates on sex work this handbook will be of great interest to scholars of criminology sociology gender studies and cultural studies and all those interested in male sex work *Ishtyle* Kareem Khubchandani, 2020-07-16 Ishtyle follows queer South Asian men across borders into gay neighborhoods nightclubs bars and house parties in Bangalore and Chicago Bringing the cultural practices they are most familiar with into these spaces these men accent the aesthetics of nightlife cultures through performance Kareem Khubchandani develops the notion of ishtyle to name this accented style while also showing how brown bodies inadvertently become accents themselves ornamental inclusions in the racialized grammar of desire Ishtyle allows us to reimagine a global class perpetually represented as docile and desexualized workers caught in the web of global capitalism The book highlights a different kind of labor the embodied work these men do to feel queer and sexy together Engaging major themes in queer studies Khubchandani explains how his interlocutors performances stage relationships between colonial law and public sexuality film divas and queer fans and race caste and desire Ultimately the book demonstrates that the unlikely site of nightlife can be a productive venue for the study of global politics and its institutional hierarchies **Panics without Borders** Gregory Mitchell, 2022-09-13 We are living in

a time of great panic about sex trafficking an idea whose meaning has been expanded beyond any real usefulness by evangelicals conspiracy theorists anti prostitution feminists and politicians with their own agendas This is especially visible during events like the FIFA World Cup and the Olympic Games when claims circulate that as many as 40 000 women and girls will be sex trafficked Drawing on extensive fieldwork in Brazil as well as interviews with sex workers policymakers missionaries and activists in Russia Qatar Japan the UK and South Africa Gregory Mitchell shows that despite baseless statistical claims to the contrary sex trafficking never increases as a result of these global mega events but police violence against sex workers always does While advocates have long decried this myth Mitchell follows the discourse across host countries to ask why this panic so easily embeds during these mega events What fears animate it Who profits He charts the move of sex trafficking into the realm of the spectacular street protests awareness raising campaigns telenovelas social media and celebrity spokespeople where it then spreads across borders This trend is dangerous because these events happen in moments of nationalist fervor during which fears of foreigners and migrants are heightened and easily exploited to frightening ends

Gendered Lives Nadine T. Fernandez, Katie Nelson, 2022-01-01 *Gendered Lives* takes a regional approach to examine gender issues from an anthropological perspective with a focus on globalization and intersectionality Chapters present contributors ethnographic research contextualizing their findings within four geographic regions Latin America the Caribbean South Asia and the Global North Each regional section begins with an overview of the broader historical social and gendered contexts which situate the regions within larger global linkages These introductions also feature short project people profiles that highlight the work of community leaders or non governmental organizations active in gender related issues Each research based chapter begins with a chapter overview and learning objectives and closes with discussion questions and resources for further exploration This modular regional approach allows instructors to select the regions and cases they want to use in their courses While they can be used separately the chapters are connected through the book s central themes of globalization and intersectionality An OER version of this course is freely available thanks to the generous support of SUNY OER Services Access the book online at <https://milneopentextbooks.org/gendered-lives-global-issues/>

Oktoberfest in Brazil Audrey Riche, 2023-06-20 *Oktoberfest in Brazil* Domestic Tourism Sensescape and German Brazilian Identity is one of the first ethnographies to critically analyze Brazil s European heritage tourism industry Southern Brazil s booming domestic tourism industry draws more than 500 000 people to events such as Oktoberfest in Blumenau the site of Audrey Riche s fieldwork Riche s unique contribution is investigation of domestic tourism as sensescape for citizens of different regions and backgrounds The sensescape concept encapsulates an experience beyond the visual Riche also introduces the economy of aesthetics framework to capture how the sensescape associated with domestic tourism are mobilized to negotiate ethnic national and transnational identities The pathway through such sensescape involves intersections with discourses on class and race as well Case studies are the German Brazilian home garden landscape

Oktoberfest and folk dancing These sensory rich contact zones provide access to different perspectives and types of identity negotiation at multiple levels Ricke analyzes each practice to show how they emanate a German Brazilian warmth joy and welcome which counter an image of Germans being cold and aloof and align better with national imaginaries of being Brazilian This book also provides historical and contemporary insights into the politics of citizenship associated with cultural heritage As politics become more polarized in Brazil and elsewhere Ricke notes that the need to find new means of communication such as sensory experiences from domestic tourism increases Through identifying how this takes place such understanding can highlight the strengths and weaknesses of tourism ventures for promoting inclusion and national belonging and contribute to the design of equity and inclusion policies The Biopolitics of Beauty Alvaro Jarrín, 2017-09-05

The eugenesis of beauty Plastic governmentality The circulation of beauty Hope affect mobility The raciology of beauty Cosmetic citizens *Sex* Richard Joseph Martin, Dieter Haller, 2020-05-27 Focusing on the unacknowledged personal and often unconscious dimension *Sex* explores the intersection between sex and ethnography Anthropological writing tends to focus on the influence of status markers such as position gender ethnicity and age on fieldwork By contrast far less attention has been paid to how sex sexuality eroticism desire attraction and rejection affect ethnographic research In the book anthropologists reflect on their own encounters with sex during fieldwork revealing how attraction and desire influence the choice of fieldwork subjects field sites and friendships They also examine the resulting impact on fieldwork findings and the generation of knowledge Based on fieldwork in Germany Denmark Greece the USA Brazil South Africa Singapore Turkey Israel Morocco and India the contributors go beyond the common heterosexuality homosexuality divide to address topics which include celibacy polyamory and sadomasochism This long overdue text provides perspectives from a new generation of anthropologists and brings the debate into the 21st century Examining challenging and controversial issues in contemporary fieldwork this is essential reading for students in anthropology gender and sexuality studies sociology research methods and ethics courses *Queering the Midwest* Clare Forstie, 2022-10-25 Drag shows that test the capacity of bars persist alongside wishes for stronger community among River City's LGBTQ population In this examination of LGBTQ community in a small Midwestern city Clare Forstie highlights the ambivalence of LGBTQ lives in the rural Midwest Drawing on in depth interviews ethnographic research and friendship mapping Forstie reveals the ways that community spaces are disappearing and emerging LGBTQ people feel safe and unrecognized and friendships do and don't matter In this community non LGBTQ allies are essential support for their LGBTQ friends and organizations but sometimes their support comes at a cost Those who find they feel most comfortable and safe also align with community norms forming with and connecting to families and identities that are the majority in River City Forstie offers the story of a community that does not fit neatly into a narrative of progress or decline Rather it's a little bit of both Forstie's ambivalent community framework reveals the ways we might think about our communities and relationships more authentically embracing the contradictions that inform the possibilities for

change **White Supremacy, Racism and the Coloniality of Anti-Trafficking** Kamala Kempadoo, Elena Shih, 2022-09-15 Global efforts to combat human trafficking are ubiquitous and reference particular ideas about unfreedoms suffering and rescue The discourse has however a distinct racialized legacy that is lodged specifically in fears about white slavery women in prostitution and migration and the defilement of white womanhood by the criminal and racialized Other White Supremacy Racism and the Coloniality of Anti Trafficking centers the legacies of race and racism in contemporary anti trafficking work and examines them in greater detail A number of recent arguments have suggested that race and racism are not only visible but vital to the success of contemporary anti trafficking discourses and movements The contributors offer recent scholarship grounded in critical anti racist perspectives that reveal the historical and contemporary racial working of anti trafficking discourses and practices globally and how these intersect with gender citizenship sexuality caste and class formations and the global political economy *The Cambridge Handbook for the Anthropology of Gender and Sexuality* Cecilia McCallum, Silvia Posocco, Martin Fotta, 2023-10-19 The tense but enduring engagement between anthropology and gender and sexuality studies has had profound effects upon anthropological theory and practice Bringing together contributions from an international team of authors this Handbook shows that anthropological work has taken inspiration from feminist and LGBTQI movements to create a transformative body of research It provides an accessible state of the art overview of the anthropology of gender and sexuality whilst also documenting its historical emergence highlighting the varied impact gender and sexuality studies have had on anthropological theory It is split into five parts with each chapter introducing a contemporary anthropological theory through in depth ethnographical discussion It features intersectional black and indigenous authors providing a forum for established and emerging voices to gesture towards futures of anthropology of gender and sexuality Authoritative and cutting edge it is essential reading for researchers and students in anthropology and will set the agenda for future research in the field **Sex Tourism in Thailand** Ronald Weitzer, 2023-11-07 Thailand is known for its diverse sex industry but it is surprisingly under researched This is the only book on the topic in the last 20 years and the only one covering multiple sectors of prostitution in the country which are examined both structurally and in terms of the lived experiences of the participants **Drag in the Global Digital Public Sphere** Niall Brennan, David Gudelunas, 2022-08-19 This volume explores drag in global online spaces as a distinct departure from the established success and limitations of RuPaul s Drag Race Centred around discourses of LGBTQ visibility and political mobilization the volume addresses how these discourses have moved beyond the increasingly limited qualities of the television series to reconfigure the parameters of drag in emerging communities and spaces By reconceiving of drag in new settings this volume uncovers the crucial social and political potential for community building in an increasingly fragmented and isolated global space Chapters by a diverse team of authors delve into the recognition of new articulations of LGBTQ visibility and political mobility through drag in online space the implications of drag celebrity for issues such as labor and

profit in the digital sphere the re appropriation of mainstream drag in emerging online environments and communities and the reverberations of drag in underrepresented and underresearched areas of the world Offering new insights into the rise of drag in a global digital public sphere this volume will be of interest to scholars and students of media studies cultural studies digital media and cultural studies critical race studies gender studies sexuality studies queer theory film and television studies

Mapping Diaspora Patricia de Santana Pinho, 2018-10-26 Brazil like some countries in Africa has become a major destination for African American tourists seeking the cultural roots of the black Atlantic diaspora Drawing on over a decade of ethnographic research as well as textual visual and archival sources Patricia de Santana Pinho investigates African American roots tourism a complex poignant kind of travel that provides profound personal and collective meaning for those searching for black identity and heritage It also provides as Pinho s interviews with Brazilian tour guides state officials and Afro Brazilian activists reveal economic and political rewards that support a structured industry Pinho traces the origins of roots tourism to the late 1970s when groups of black intellectuals artists and activists found themselves drawn especially to Bahia the state that in previous centuries had absorbed the largest number of enslaved Africans African Americans have become frequent travelers across what Pinho calls the map of Africanness that connects diasporic communities and stimulates transnational solidarities while simultaneously exposing the unevenness of the black diaspora Roots tourism Pinho finds is a fertile site to examine the tensions between racial and national identities as well as the gendered dimensions of travel particularly when women are the major roots seekers

Keywords for Gender and Sexuality Studies The Keywords Feminist Editorial Collective, 2021-11-21 Introduces key terms debates and histories for feminist studies in gender and sexuality Keywords for Gender and Sexuality Studies introduces readers to a set of terms that will aid them in understanding the central methodological and political stakes currently energizing feminist and queer studies The volume deepens the analyses of this field by highlighting justice oriented intersectional movements and foregrounding Black Indigenous and women of color feminisms transnational feminisms queer of color critique trans disability and fat studies feminist science studies and critiques of the state law and prisons that emerge from queer and women of color justice movements Many of the keywords featured in this publication call attention to the fundamental assumptions of humanism s political and intellectual debates from the racialized contours of property and ownership to eugenicist discourses of improvement and development Interventions to these frameworks arise out of queer feminist and anti racist engagements with matter and ecology as well as efforts to imagine forms of relationality beyond settler colonial and imperialist epistemologies Reflecting the interdisciplinary breadth of the field this collection of seventy essays by scholars across the social sciences and the humanities weaves together methodologies from science and technology studies affect theory and queer historiographies as well as Black Studies Latinx Studies Asian American and Indigenous Studies Taken together these essays move alongside the distinct histories and myriad solidarities of the fields to construct the much awaited Keywords for

Gender and Sexuality Studies **Unsettling Queer Anthropology** Margot Weiss, 2024-04-12 This field defining volume of queer anthropology foregrounds both the brilliance of anthropological approaches to queer and trans life and the ways queer critique can reorient and transform anthropology Routledge International Handbook of Sex Industry Research Susan Dewey, Isabel Crowhurst, Chimaraoke Izugbara, 2018-11-21 The Routledge International Handbook of Sex Industry Research unites 45 contributions from researchers sex workers activists and practitioners who live and work in 28 countries throughout the world Focusing tightly on the contemporary state of sex industry research through eight carefully selected themes this volume sets a clear agenda for future research activism and policymaking Approaching the topic from a multidisciplinary perspective on an expanding field frequently divided by political and ideological conflicts the handbook clearly establishes the parameters of the field while also showcasing the most vibrant contemporary empirical and theoretical work Unprecedented in its global scope the Routledge International Handbook of Sex Industry Research will appeal to students researchers and policy makers interested in fields such as sociology of gender and sexuality crime justice and the sex industry sociology of work and professions and sexual politics *Gringo Love* Marie-Eve Carrier-Moisán, 2020-07-25 In the city of Natal in northeast Brazil several local women negotiate the terms of their intimate relationships with foreign tourists or gringos in a situation often referred to as sex tourism These women each have different experiences but they all share in the desire to escape their lives as young poor racialized women in Brazil Based on original ethnographic research and presented in graphic form *Gringo Love* explores the hopes dreams and experiences of these women against a backdrop of entrenched social inequality and increasing state surveillance leading up to the World Cup of 2014 It touches on important contemporary scholarly issues including sexual economics transnational mobility transnational love and relationships romantic imaginaries gender representation race and inequality visual anthropology and ethnographic methods The graphic story is accompanied by analysis and contextual discussions which encourage students to engage with the narrative and expand their understanding of the broader social issues therein

Tourist Attractions Performing Race And Masculinity In Brazils Sexual Economy Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Tourist Attractions Performing Race And Masculinity In Brazils Sexual Economy free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF

files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Tourist Attractions Performing Race And Masculinity In Brazils Sexual Economy free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Tourist Attractions Performing Race And Masculinity In Brazils Sexual Economy free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Tourist Attractions Performing Race And Masculinity In Brazils Sexual Economy. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Tourist Attractions Performing Race And Masculinity In Brazils Sexual Economy any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Tourist Attractions Performing Race And Masculinity In Brazils Sexual Economy Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook's credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What's the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Tourist Attractions Performing Race
