Positive Tourism Sebastian Filep, Jennifer Laing, Mihaly Csikszentmihalyi, 2016-10-04 Tourism affects millions of individuals numerous societies and environments in multiple nuanced and overlapping ways While it can be viewed as a frivolous leisure pursuit or simply a large industry with potentially destructive impacts it might also be understood in terms of its effects on human fulfilment the good life and greater well being This book calls for positive tourism principally grounded in theories from positive psychology the study of what makes life worth living and the development of a body of knowledge that explains what characterises optimal tourist experiences what enables host communities to flourish and what encourages workers in tourism to thrive Through original research studies reported in this international volume we aim to further develop this knowledge The intersections between ongoing and traditionally inspired applications of psychology in tourism and this new thrust in psychological inquiry promise to refresh and challenge tourism research This book will appeal to researchers and academics in tourism leisure positive psychology management and related fields as well as graduate students professionals and policy makers

Tourism's New Markets Philip Pearce, Antónia Correia, 2020-09-30 With contributions from international experts in the field this volume provides a research led perspective to explore and understand emerging markets and segments and develop a new research framework A must have volume for higher level undergraduates graduate students and practitioners in the fields of tourism

Creating Experience Value in Tourism, 2nd Edition Nina K Prebensen, Joseph S Chen, Muzaffer Uysal, 2018-06-18

Research delivers a multitude of approaches to value creation represented here as a set of definitions perspectives and interpretations of how tourists as customers create value alone and with others Now updated throughout Creating Experience Value in Tourism 2nd Edition provides a clarification of these approaches as well as a practical translation as to how they can work within industry Concluding with a summary of the areas for future research this is a key resource for researchers particularly those interested in experience value and co creation as well as a useful read for students of tourism and related industries **The Creative Tourist** Xavier Matteucci, Melanie Smith, 2024-01-22 The Creative Tourist offers novelty in this field in that it discusses the creative tourism experience through a relational eudaimonic perspective thus extending current knowledge and bringing fresh insights from new materialist philosophy into creative tourism research

Tourist Behaviour Philip L. Pearce, 2019 Comprehensive and accessible this Companion offers a thorough investigation into both traditional and fresh topics in tourist behaviour and experience Arranged chronologically the chapters examine tourist experience from the very idea of a tourist visit to the aftermath of returning home **Impact of New Media in Tourism** Dinis, Maria Gorete, Bonixe, Luís, Lamy, Sónia, Breda, Zélia, 2021-02-19 Tourism consumers are increasingly demanding and seek to base their travel decision making process on relevant and credible tourism information In recent years user generated content on social media the opinion of travel bloggers and entertainment programs in the media have influenced the public s travel purchasing behavior and acted as a driving force for the development of tourism products such as film tourism It also has played a role in the evolution and development of marketing giving rise to new applications as in the case of digital and influence marketing On the other hand tourism organizations and destination management organizations face major challenges in communicating the attributes of a tourism product since this cannot be experienced before consumption Thus they need to know how and in which means or platforms of communication they can inform potential consumers Impact of New Media in Tourism provides theoretical and practical contributions in tourism and communication including current research on the influence of new media and the active role of consumers in tourism With a focus on decision making and increasing the visibility of products and destinations the book provides support for tourism agencies and organizations around the world Covering themes that include digital marketing social media and online branding this book is essential for professionals academicians researchers and students working or studying in the field of tourism and hospitality management marketing advertising and media and communications Handbook of Tourism and Quality-of-Life Research II Muzaffer Uysal, M. Joseph Sirgy, 2023-09-23 The second volume of this handbook develops on and extends the discussion in the successful first volume published in 2012 This is a timely addition to the literature drawing on the momentum that quality of life QOL research in tourism has gained in the 21st century and on the boom in the tourism industry itself It focuses on four areas of growth in QOL research in the recent past 1 travelers tourists 2 host communities 3 service providers and 4 the role of technology The handbook helps management of tourism firms and policy makers develop

specific policies and programs to ensure the most positive impact of tourism on tourists host communities and service providers The comprehensive coverage of topics in this handbook makes it a state of the art reference Academics interested in QOL research in travel and tourism tourism practitioners interested in applying the science of QOL in the tourism industry as well as policy makers involved in regulating the industry will view the handbook as indispensable source of recent research

The Cultural Moment in Tourism Laurajane Smith, Emma Waterton, Steve Watson, 2012-07-26 This book is a response to the burgeoning interest in cultural tourism and the associated need for a coherently theorized approach for understanding the practices that such an interest creates Cultural tourism has become an important and popular aspect of contemporary tourism studies as well as providing a rich seam of upscale product development opportunities in the industry as a whole Much of the related literature however focuses upon describing and categorizing cultural tourism from a supply side perspective This has prompted the taxonomizing of cultural tourists on the basis of their level of involvement and interest in cultural tourism products and or their economic worth as a sought after market segment There have been few recent attempts at a rigorous re theorization of the issues beyond conventional representational theories this book aims to fill that void This groundbreaking volume provides a theoretical and empirical account of what it means to be a cultural or heritage tourist It achieves this by exploring the interactions of people with places spaces intangible heritage and ways of life not as linear alignments but as seductive moments of encounter engagement performance and meaning making which are constitutive of cultural experience in its broadest sense The book further explores encounters in cultural tourism as events that capture and constitute important social relations involving power and authority self consciousness and social position gender and space history and the present It also explores the consequences these insights have for our understanding of culture and heritage and its management in the context of tourist activity In capturing the cultural moment this book provides a better understanding of the motivations on site activities meaning constructions and other cultural work done by both tourists and tourist operators The volume confronts and explores the cultural political and economical interrelations between culture heritage and the tourism industry In so doing it also investigates how this co mingling of identity representation and social life may be better apprehended with the wider shift in critical thought towards notions of affect and performativity The book is a fundamental and influential contribution to research in this field It will be of significant value to students academics and researchers interested in this broad topic area

Green Growth and Travelism Terry DeLacy, Min Jiang, Geoffrey Lipman, Shaun Vorster, 2014-05-09 The green growth paradigm emerged from evolving global strategies that coherently promote a more socially inclusive low carbon resource efficient stable economy with decreasing poverty Opportunities and challenges associated with the paradigm shift are expected to transform the travel and tourism travelism sector in all respects and on a global scale This involves the transformation of the entire travelism value chain as well as the communities in tourism destinations However there is a lack of systematic reports on wide ranging and complex implications

of the green growth paradigm for the travelism sector This book focuses on the twin pillars green growth and travelism as key building blocks in exploring an essential multi decade lifestyle change for planetary and human well being through the lenses of concept policy and practice It provides a conceptual discussion of the implications of the new development trend for key players in the travelism system offers case studies from both developed and developing countries that highlight key issues in the transformation towards the green economy and explores the policy settings and frameworks on both the global and national levels that underpin travelism green growth This book offers tourism industry players academics students policy makers and practitioners a comprehensive discussion of the latest progress in green growth and travelism *Wish You*

Were Here - Professional Edition Terry Stevens,2020-04-20 Written by Terry Stevens The Stories Behind 50 of the World's Great Destinations This book will give tourists and travelers a description of each of the 50 destinations with a personal explanation giving an insight as to why and how these destinations consistently deliver high quality visitor experiences It aims to show the visitor how good management and an understanding of the importance of hospitality underpins the success of each destination Tourists are now very interested in knowing more about how the places they visit are organized and how they get things right For the tourism professional and future destination managers and marketers the Professional Edition will have the same core content as the Consumer Edition exploring the destinations plus a detailed analysis of international best practice in destination management written with deep insight and research supported by extensive bibliography It will be a major reference book on successful destination management based on my 40 years working in the industry in over 55 countries This is not a typical language driven promotional bucket list guidebook Stevens gives these destinations real world context He tells us its personality its mood and not just the reason for being but its reason for resilience perseverance and ultimate success Peter Greenberg Travel Editor CBS News **Tourism in Development** Peter U.C. Dieke,Brian E.M.

King,Richard A.J. Sharpley,2020-11-20 Over the last fifty years tourism has become firmly established as a development option around the world Commensurate with this the study of tourism's developmental role has also expanded significantly There now exists a broad understanding of the policies and processes opportunities and challenges that apply to tourism's potential contributions to development As the tourism environment now faces numerous challenges and transformations it is timely to reflect on contemporary understandings of the relationship between tourism and development and to consider future directions This thought provoking volume challenges the orthodoxy of tourism and development highlights past and current events and considers longer term repercussions and developments It will be a relevant and enduring resource for academics and undergraduate and postgraduate students in tourism *Future Tourism* James Leigh,Craig Webster,Stanislav Ivanov,2013 The book draws on the views of leading thinkers in Tourism and considers a broad range of issues from multidisciplinary perspectives facing Tourism industry for the first time in one volume dwindling energy new technology security like war and terrorism political economy sustainability and human resources By critically reviewing these

social and economic challenges in a global scale the book helps to create a comprehensive view of future tourism in the unfolding and challenging society of the third millennium *A Research Agenda for Event Management* John Armbrrecht,Erik Lundberg,Tommy D. Andersson,2019 This book explores and expands upon the core topics in the current academic debate within event management research Emerging areas and innovative methodologies are organised into three themes Events in Society Event Consumers and the Event Organization *Tourist Experiences* Chris Ryan,Xiaoyu (Nancy) Zhang,2024-03-12 This book explores the application of psychological theories to tourist behaviour and experiences It traces the evolution of those theories and how they have changed in response to broader social and economic changes Among those changes have been the development of tourism which reflects those social changes and contributes to them In doing so tourism theories also contribute to and gain insights from emergent psychological theories including those derived from the neurosciences The book provides both undergraduate and postgraduate students with an understanding of core psychological perspectives derived from both humanistic and empirical psychology and their application to tourist behaviours and experiences **The Emerald Handbook of Luxury Management for Hospitality and Tourism** Anupama S. Kotur,Saurabh Kumar Dixit,2022-01-25 The Emerald Handbook of Luxury Management for Hospitality and Tourism brings together global philosophies principles and practices in luxury tourism management exploring the changing paradigms of the upcoming post pandemic global luxury travel market **Tourism and the Creative Industries** Philip Long,Nigel D. Morpeth,2016-05-20 This book focuses on the theoretical policy and practice linkages and disjunctures between tourism and the creative industries There are clear and strong intersections between the sectors for example in the development and application of new and emerging media in tourism festivals and cultural events showcasing the creative identity of place tours and place identities associated with film TV music and arts tourism as well as particular destinations being promoted on the basis of their creative endowments such as theatre breaks art exhibitions and fashion shows *Tourism and the Creative Industries* explores a variety of relationships in one volume and offers innovative and critical insights into how creative industries and tourism together contribute to place identity tourist experience destination marketing and management The book is aligned with the sectors that have been demarcated by the UK Government Department of Culture Media and Sport as comprising the creative industries advertising and marketing architecture design and designer fashion film TV video radio and photography IT software and computer services publishing and music performing and visual arts The title of this volume demonstrates how the exclusion of tourism from the creative industries is arguably perverse given that much of the work by destination managers and of private sector tourism is characterised by creativity and innovation Interdisciplinary research and international context bring a broader perspective on how the creative industries operate in varying cultural and policy contexts in relation to tourism This book brings together the parallel and disparate inter disciplinary fields of tourism and the creative industries and will be of interest to students academics and researchers interested in tourism creative industries

marketing and management *Research Paradigm Considerations for Emerging Scholars* Anja Pabel, Josephine Pryce, Allison Anderson, 2021-05-12 This book provides insights into the lived experiences of researchers as they negotiate the undulating terrain of the world of paradigms and seek to find their niche Each chapter presents the journeys of postgraduate candidates early career researchers and established scholars starting with an overview of their paradigm the application of the paradigm to their specific research context and concluding with the authors reflecting on their identification with and use of the paradigm The volume acknowledges that determining the paradigm that best aligns with a scholar's personal ideologies and the underlying assumptions of the research can be rather daunting challenging and perplexing to scholars who are starting their research journey It offers an accessible exploration of research paradigms and will be a valuable resource for postgraduate researchers emerging scholars and PhD supervisors Knowledge Networks and Tourism Michelle McLeod, Roger Vaughan, 2014-11-20 The receipt of knowledge is a key ingredient by which the tourism sector can adjust and adapt to its dynamic environment However although its importance has long been recognised the fragmentation within the sector largely as a result of it being comprised of small and medium sized businesses makes understanding knowledge management challenging This book applies knowledge management and social network theories to the business of tourism to shed light on successful operations of tourism knowledge networks It contributes specifically to understanding a network perspective of the tourism sector the information needs of tourism businesses social network dynamics of tourism business operation knowledge flows within the tourism sector and the transformation of the tourism sector through knowledge networks Social Network Analysis is applied to fully explore the growth and maintenance of tourism knowledge networks and the relationships between tourism sector stakeholders in relation to their knowledge requirements Knowledge Networks and Tourism will be valuable reading for all those interested in successful operations of tourism knowledge networks
