Wales On The Western Front:

Wales on the Western Front John Richards, 2014 This reissue published to commemorate the centenary of the outbreak of World War I provides many diverse impressions of what it was like to be a soldier on the Western front in the Great War and primarily what it meant to be a Welsh soldier The prose and poetry collected here are from such famous names as Edward Thomas Robert Graves David Jones and Saunders Lewis and record not only horrific and dramatic events of combat soldiers under artillery bombardment and the confusion of attacks or retreats but also routine activities the difficulties in repairing the trenches the long waits for food the blisters and the cold and the comradeship in the Welsh regiments **Huw T.**

Edwards Paul Ward, 2011-02-15 Huw T Edwards was a prominent Welsh and English speaking public figure in twentieth century Welsh society In the 1950s he was known as the unofficial Prime Minister of Wales because of his chairmanship of the Council of Wales In 1958 Edwards resigned from the Council of Wales because the Conservative government refused to create the post of Secretary of State for Wales In 1959 he also resigned from the Labour Party after 50 years membership Again his reasons reflected a growing sense of Welsh nationalism He had become increasingly interested in Welsh cultural and political issues and had encouraged his union to support of Coleg Harlech and the National Eisteddfod On leaving Labour Edwards joined Plaid Cymru Edwards s political life therefore seems to reinforce the notion of fragmentation of United Kingdom identities and their replacement by distinct and politically ambitious national identities in Wales This book suggests that close examination of Edwards political life reveals a more complex situation Edwards s resignation from Labour was about his political desires for Wales but equally entailed a rejection of the rightward shift in British Labour politics being led by Hugh Gaitskell Edwards s protest can therefore be viewed from the perspective of the British left as well as Welsh nationalism Hence in 1965 Edwards rejoined Labour because the accession of Harold Wilson to the Labour leadership and government resulted in a radicalisation of the party alongside recognition of Welsh nationhood with the establishment of a Welsh Secretary of State and a Welsh Office *The Welsh at War: From Mons to Loos & the Gallipoli Tragedy* Steven
