For the Love of Pasta Molly Mills, 2019-06-08 Life is a combination of magic and pasta I believe pasta was put in the world to make the entire human race happy and fulfilled Anyone you see with a long face probably hasn't got a good bowl of pasta in a while Nothing beats having a good bowl of pasta and glass of wine That is arguably the best way to end a good day and maybe also the best way to improve a bad one God bless the Italians for the creation of pasta they obviously did something very right You can definitely buy some really good pasta but it is infinitely more satisfying to make your own pasta at home Now imagine being able to make your pasta from scratch Imagine going from an unleavened dough of durum wheat flour with water and eggs to a tantalizing plate of lasagna or spaghetti Bolognese Everyone always wants to be able to make their food from scratch so they can monitor what goes into it and make sure the end product is as healthy as it is delicious This can be a little difficult to do with pasta because most people don't know how to make it Well you need not bother yourself anymore This cookbook contains all the best detailed recipes you need along with recipes for some mouthwatering sauce You can now have the full Italian experience in your own kitchen All you have to do is grab the cookbook and get started
