or narcissistic personality disorder NPD it's important to remember that it is not your fault. Lured in by your partner's initial charm, you might have initially ignored or outright denied the red flags. However, the constant stream of criticism, blame, and gaslighting has left you questioning your own reality. So how can you begin to set boundaries and make self-preservation a priority? BPD and NPD expert Randi Kreger provides targeted resources to help you build the confidence you need to navigate your relationship safely and effectively. Packed with in-depth information and proven effective skills, this no-nonsense guide will help you evaluate your relationship, discover what you truly want and need, and gain the courage needed to make healthy decisions and act on them. If you decide to stay with your partner, you'll be equipped with tools to improve the relationship; if you determine you want to leave and start a new life, this book will light your path to freedom. As much as it might feel like you are not stuck in your current relationship, there is a way forward, and no matter how you ultimately choose to proceed, you'll be guided wisely and safely toward a satisfying relationship and the better, more peaceful life you deserve.

No More Walking on Eggshells I. Madison, 2015-11-21. NO MORE WALKING ON EGGSHELLS: A Practical Guide To Understanding Coping And Living With Someone Who Has Borderline Personality Disorder Or Narcissistic Personality Disorder 3rd Edition. This book is a well-rounded introduction to the complications presented by the mental disorders of Narcissistic Personality Disorder (NPD) and Borderline Personality Disorder (BPD). It paints a clear picture of who a narcissist is and who a person with BPD is. You get to learn from this book that narcissism has variations and that each category of narcissists needs to be handled in a unique manner for normalcy or the semblance of it to prevail in life. One thing that this book brings out clearly is the fact that despite the fact that life is difficult with a narcissist around, the same narcissist can contribute positively in a community if the environment is right and if people around them understand what to expect of a narcissist. That makes this book all the more valuable because it outlines clearly how to handle each type of narcissist for you to get the best out of them and to keep them from making the social or working environment toxic. Any time you want to write off a narcissist, read through this book again and get to see where you can place that person as far as categories of narcissism are concerned. Then see what the book says about handling such people. You may be surprised that some steps you may pick from this book can be the solution nobody ever suggested to you before. And hence the person you loathed begins to make fruitful contributions to your group or community and incidences of friction between the narcissist and other people begin to reduce. In this book, you will learn: What Narcissistic Personality Disorder is; What Borderline Personality Disorder is; How NPD varies from BPD; The red signs that will alert you when you are dating a narcissist; The red signs that will alert you when an employee is a narcissist; How narcissism affects leadership in religious circles; The best way to handle a partner who is narcissistic; What to do to stop falling victim to narcissistic manipulation; How to behave when living with a person with BPD; How to bring happiness into your life despite having a narcissist in it; Various positive contributions you can derive from a narcissist; How to keep a narcissist in check while keeping your cool. And much, much more. So don't delay and get your copy.
