Wannabe U Inside The Corporate University Wannabe U Paperback:

Wannabe U Gaye Tuchman, 2011-08-22 Based on years of observation at a large state university Wannabe U tracks the dispiriting consequences of trading in traditional educational values for loyalty to the market Aping their boardroom idols the new corporate administrators at such universities wander from job to job and reductively view the students there as future workers in need

Diverse Administrators in Peril Edna Chun, Alvin Evans, 2015-12-03 Diverse Administrators in Peril is the first in depth examination of the work experiences of minority female and LGBT administrators in higher education Written by two award winning practitioners in higher education this vivid and intensive study of American leadership from the inside out illuminates how the collision between everyday life and systems of power takes place in patterns of subtle discrimination Based on scores of interviews with diverse administrators the book examines patterns of racism sexism and heterosexism that persist in the highest administrative ranks and provides concrete strategies and models for inclusive leadership practices

The Role of Leaders and Actors in Academy-Business Partnerships: Issues of Risk, Trust, Power, Ethics, and Cooperation Clevenger, Morgan R., Kretovics, Mark, Watts, Jessica Shepard, 2024-09-17 In academic business partnerships many challenges plague both sides of the equation From navigating complex power dynamics to ensuring ethical conduct managing risk and fostering trust these collaborations often seem to walk a tightrope without a safety net The critical actors involved such as university leaders corporate executives and government policymakers often struggle to strike the delicate balance required for success It is a world where mishaps are as common as best practices and the potential for growth and innovation remains untapped due to these hurdles The Role of Leaders and Actors in Academy Business Partnerships Issues of Risk Trust Power Ethics and Cooperation emerge as the guiding light in this labyrinthine journey This book does not just highlight the issues it presents concrete solutions By offering a comprehensive exploration of the roles and responsibilities of key players from university presidents to corporate executives it equips readers with the knowledge and tools needed to navigate the intricate dynamics of these partnerships successfully With real world examples of best practices and the cautionary tales of the dark side of leadership this book empowers academic scholars and corporate leaders alike to make informed decisions and forge collaborations that truly benefit both sides

Reversing the Cult of Speed in Higher Education Jonathan Chambers, Stephannie Gearhart, 2018-10-26 A collection of essays written by arts and humanities scholars across disciplines this book argues that higher education has been compromised by its uncritical acceptance of our culture's standards of productivity busyness and speed Inspired by the Slow Movement contributors explain how and why university culture has come to value productivity over contemplation and rapidity over slowness Chapter authors argue that the arts and humanities offer a cogent critique of fast culture in higher education and reframe the discussion of the value of their fields by emphasizing the dialectic between speed and slowness

Competitive Accountability in Academic Life Richard Watermeyer, 2019 This book considers how a culture of competitive

accountability in UK higher education produces multiple tensions contradictions and paradoxes that are destabilizing and deleterious to the work and identities of academics as research scientists It suggests the potential of a new discourse of scientific accountability that frees scientists and their public communities from the absurdities and profligacy of performativity and managerial governmentality encountered in the REF and an impact agenda the noose of competitive accountability and a more honest and meaningful public contract

Militarizing Culture Roberto J González,2016-06-16
Militarizing Culture is a rousing critique of the increasing infiltration of military culture into American society by leading cultural commentator Despite its pervasiveness Gonz lez insists that warfare is not an inevitable part of human nature and charts a path toward the decommissioning of culture
