Relics of War Jennifer Raab, 2024-09-10 How a single haunting image tells a story about violence mourning and memory In 1865 Clara Barton traveled to the site of the notorious Confederate prison camp in Andersonville Georgia where she endeavored to name the missing and the dead The future founder of the American Red Cross also collected their relics whittled spoons woven reed plates a piece from the prison s dead line a tattered Bible and brought them back to her Missing Soldiers Office in Washington DC presenting them to politicians journalists and veterans families before having them photographed together in an altar like arrangement Relics of War reveals how this powerful image produced by Mathew Brady opens a window into the volatile relationship between suffering martyrdom and justice in the wake of the Civil War Jennifer Raab shows how this photograph was a crucial part of Barton s efforts to address the staggering losses of a war in which nearly half of the dead were unnamed and from which bodies were rarely returned home for burial The Andersonville relics gave form to these absent bodies offered a sacred site for grief and devotion mounted an appeal on behalf of the women and children left behind and testified to the crimes of war The story of the photograph illuminates how military sacrifice was racialized as political reconciliation began and how the stories of Black soldiers and communities were silenced Richly illustrated Relics of War vividly demonstrates how one photograph can capture a precarious moment in history serving as witness advocate evidence and memory

Traces of Racial Exception Ronit Lentin, 2018-08-09 Positioning race front and centre this book theorizes that political violence in the form of a socio political process that differentiates between human and less than human populations is used by the state of Israel in racializing and ruling the citizens of occupied Palestine Lentin argues that Israel s rule over Palestine is an example of Agamben s state of exception Goldberg s racial state and Wolfe s settler colony the Israeli racial settler colony employs its laws to rule besieged Palestine while excluding itself and its Jewish citizen colonists from legal instruments and governmental technologies Governing through emergency legislation and through practices of

exception emergency necessity and security Israel positions itself outside domestic and international law Deconstructing Agamben's Eurocentric theoretical position Lentin shows that it occludes colonialism settler colonialism and anti colonialism and fails to specifically foreground race instead she combines the work of Wolfe who proposes race as a trace of settler colonialism and Weheliye who argues that Agamben's western centric understanding of exception fail to speak from explicitly racialized and gendered standpoints Employing existing media activist and academic accounts of racialization this book deliberately breaks from white Western theorizations of biopolitics exception and bare life and instead foregrounds race and gender in analysing settler colonial conditions in Israel

Dear Delia Henry Young, 2019-03-05 Iron Brigade officer Henry F Young wrote 155 letters home during the Civil War enabling readers to witness the war society and politics of 1860s America as he did This honest and occasionally humorous autobiography reveals a rare portrait of a junior officer from America's western heartland

The Transgender Exigency Edward Schiappa, 2021-12-24 At no other point in human history have the definitions of woman and man male and female masculine and feminine been more contentious than now This book advances a pragmatic approach to the act of defining that acknowledges the important ethical dimensions of our definitional practices Increased transgender rights and visibility has been met with increased opposition controversy and even violence Who should have the power to define the meanings of sex and gender What values and interests are advanced by competing definitions Should an all boys college or high school allow transgender boys to apply Should transgender women be allowed to use the women's bathroom How has growing recognition of intersex conditions challenged our definitions of sex gender In this timely intervention Edward Schiappa examines the key sites of debate including schools bathrooms the military sports prisons and feminism drawing attention to the political practical and ethical dimensions of the act of defining itself This is an important text for students and scholars in gender studies philosophy communication and sociology The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license

Divided Armies Jason Lyall, 2020-02-11 How do armies fight and what makes them victorious on the modern battlefield In *Divided Armies* Jason Lyall challenges long standing answers to this classic question by linking the fate of armies to their levels of inequality Introducing the concept of military inequality Lyall demonstrates how a state's prewar choices about the citizenship status of ethnic groups within its population determine subsequent battlefield performance Treating certain ethnic groups as second class citizens either by subjecting them to state sanctioned discrimination or worse violence undermines interethnic trust fuels grievances and leads victimized soldiers to subvert military authorities once war begins The higher an army's inequality Lyall finds the greater its rates of desertion side switching casualties and use of coercion to force soldiers to fight In a sweeping historical investigation Lyall draws on Project Mars a new dataset of 250 conventional wars fought since 1800 to test this argument Project Mars breaks with prior efforts by including overlooked non Western wars while cataloguing new patterns of inequality and wartime conduct across

hundreds of belligerents Combining historical comparisons and statistical analysis Lyall also marshals evidence from nine wars ranging from the Eastern Fronts of World Wars I and II to less familiar wars in Africa and Central Asia to illustrate inequality's effects Sounding the alarm on the dangers of inequality for battlefield performance Divided Armies offers important lessons about warfare over the past two centuries and for wars still to come [African Americans and the Nigerian Civil War, 1967-1970](#) James A. Farquharson, 2024-07-22 This book is the first to recover and analyse at length the extent complexity and character of African American responses to the Nigerian Civil War 1967 1970 Far from having only marginal significance the Nigerian Civil War collided at full velocity with the conflicting discourses and ideas by which black Americans sought to understand their place in the United States and the world in the late 1960s Black civil rights leaders offered their service as agents of direct diplomacy during the conflict seeking to preserve Nigerian unity grassroots activists organised food drives concerts and awareness campaigns in support of humanitarian aid for victims of famine in the warzone while other black activists warned of an imminent genocide and called for an united response from black Americans Drawing on private papers activist literature government records and especially the black press it charts the way the civil war shaped as well as challenged the worldview of African Americans regarding black internationalist solidarities territorial sovereignty and political viability humanitarian compassion and the political trajectory of postcolonial Africa With a chronological approach this study is the ideal resource for all those interested in the Nigerian Civil War and the history of black internationalism **God of All Comfort** Scott Harrower, 2019-04-24 How does God respond to trauma in a world full of horrors Beyond their physical and emotional toll the horrors of this world raise difficult theological and existential questions Where is God in the darkest moments of the human experience Is there any hope for recovery from the trauma generated by these horrors There are no easy answers to these questions In God of All Comfort Scott Harrower addresses these questions head on Using the Gospel of Matthew as a backdrop he argues for a Trinitarian approach to horrors showing how God in his triune nature reveals himself to those who have experienced trauma He explores the many ways God relates restoratively with humanity showing how God's light shines through the darkness of trauma **You Will Be Made to Care** Erick Erickson, Bill Blankschaen, 2016-02-22 Religious liberty is under attack in America Your freedom to believe may not last much longer To all those who say they don't care about the culture war Erick Erickson has only one response The Left will not let you stay on the sidelines You will be made to care Now the former Editor in Chief of RedState.com joins with Christian author Bill Blankschaen to expose the war in America on Christians and all people of faith who refuse to bow to the worst kind of religion secularism one intent on systematically imposing its agenda and frightening doubters into silence The book features first hand accounts from Christians who've been punished for their beliefs and the perspectives of concerned thought leaders to make the case that Americans of faith can't afford to ignore what's happening not anymore You Will Be Made to Care offers hope for preserving freedom of conscience with practical steps that believers families pastors church

leaders and citizens can take to resist tyranny and experience a resurgence of faith in America
