Wasted Lives Modernity And Its Outcasts:

Wasted Lives Zygmunt Bauman, 2013-04-26 The production of human waste or more precisely wasted lives the superfluous populations of migrants refugees and other outcasts is an inevitable outcome of modernization It is an unavoidable side effect of economic progress and the quest for order which is characteristic of modernity As long as large parts of the world remained wholly or partly unaffected by modernization they were treated by modernizing societies as lands that were able to absorb the excess of population in the developed countries Global solutions were sought and temporarily found to locally produced overpopulation problems But as modernization has reached the furthest lands of the planet redundant population is produced everywhere and all localities have to bear the consequences of modernity's global triumph They are now confronted with the need to seek in vain it seems local solutions to globally produced problems The global spread of the modernity has given rise to growing quantities of human beings who are deprived of adequate means of survival but the planet is fast running out of places to put them Hence the new anxieties about immigrants and asylum seekers and the growing role played by diffuse security fears on the contemporary political agenda With characteristic brilliance this new book by Zygmunt Bauman unravels the impact of this transformation on our contemporary culture and politics and shows that the problem of coping with human waste provides a key for understanding some otherwise baffling features of our shared life from the strategies of global domination to the most intimate aspects of human relationships

Wasted Lives Modernity and Its Outcasts, 2004 *Zygmunt Bauman Textbook* Tony Blackshaw, 2005 This timely book provides the definitive concise introduction to Zygmunt Bauman A well written text it assumes no prior knowledge of his work and will appeal to those wishing to explore the ideas of one of the world's most wide ranging thinkers **Wasted Lives** Julie Boden, 2003-01-01 *The Sociology of Zygmunt Bauman* Michael Hviid Jacobsen, 2016-03-03 Zygmunt Bauman is one of the most inspirational and controversial thinkers on the scene of contemporary sociology For several decades he has provided compelling analyses and diagnoses of a vast variety of aspects of modern and liquid modern living This book considers the theoretical significance of his contribution to sociology but also discusses and adopts a critical stance towards his work The Sociology of Zygmunt Bauman introduces and critically appraises some of the most significant as well as some of the lesser known of Bauman's contributions to contemporary sociology An international team of scholars delineates and discusses how Bauman's treatment of these themes challenges conventional wisdom in sociology thereby revising and revitalizing sociological theory As a special feature the book concludes with Bauman's intriguing reflections and contemplations on his own life and intellectual trajectory published here for the first time in English In this postscript aptly entitled *Pro Domo Sua About Myself* he describes the pushes and pulls that throughout the years have shaped his thinking

Humanities and Option for the Poor Clemens Sedmak, 2005 The concept of a preferential option for the poor calls for a special attention to the weakest members of a particular society Such an option is a challenge for the ethics of science as

well How can we pursue an option for the poor in the humanities Can we do that without generating ideologies This volume gives an account of these questions Representatives of sociology religious studies law economics theology history and philosophy try to answer this question It is manifest that the discussion of an option for the poor is also a matter of intellectual integrity

Liquid Society and Its Law Jiří Příbáň, 2016-05-06 This collection of essays brings together Zygmunt Bauman and a number of internationally distinguished legal scholars who examine the influence of Bauman's recent works on social theory of law and socio legal studies Contributors focus on the concept of liquid society and its adoption by legal scholars The volume opens with Bauman's analysis of fears and policing in liquid society and continues by examining the social and legal theoretical context and implications of Bauman's theory

Restless Infections Jay Pather, 2025-06 *Restless Infections* is an innovative collection of critical essays exploring artistic interventions in urban spaces focusing on place making and the politics of space in post colonial South Africa The title refers to Cape Town's popular Infecting the City public art festival and the persistent state of restlessness of a city still grappling with the legacies of colonialism inequality and racial segregation The concept of restlessness provides a critical tool for understanding public space in a country desiring economic and political stability as expressed through transient art forms such as Santu Mofokeng's billboard photography The volume shifts the focus of public art discourse in South Africa from static forms like monuments and statues to dynamic temporary interventions offering fresh perspectives on public art as an interactive community engaged practice The interventions engage with protest public intimacy audience interaction and the disrupted topography of apartheid cities Through an examination of seminal artworks contributors address diverse forms of expression that range from site specific performances immersive installations film and photography to online performances They introduce new perspectives on public sphere performance such as Khanyisile Mbongwa's re imagining of township alleyways for public encounters and Mbongeni Mtshali's study of everyday performances that challenge colonial and neo colonial spatial organisation The book is divided into three sections The Restless City Public Art for Multiple Publics and Land Home Belonging It features both critical essays and visual documentation of the powerful often temporary public artworks providing readers with an opportunity to explore cutting edge artistic practices that tackle global issues like inequality segregation and public space reclamation *Restless Infections* reads public spheres through a multi and interdisciplinary lens and makes a strong contribution to our understanding of the complexities of public art in South Africa It will appeal to academics students and practitioners across the fields of art cultural studies and social justice

An Eclectic Bestiary Birgit Spengler, Babette B. Tischleder, 2019-06-04 The essays poetry and visual art collected here consider the more than human cultures of our multispecies world At a time when humanity's impact has put our planet's ecosystems into great jeopardy the book explores literary sonic and visual imaginaries that feature encounters between and across a variety of living creatures beetles and bisons people and pigeons trees and spiderwebs vegetables and violets orchards and octopi vampires and tricksters Offering

a wide range of critical and creative contributions to Human Animal Studies Critical Plant Studies and the Nonhuman Turn the volume seeks to foster new ways of imagining a more response able coexistence on our shared Earth **Blurring Boundaries: Human Security and Forced Migration** Stefan Salomon,Lisa Heschl,Gerd Oberleitner,Wolfgang Benedek,2017-06-12 In Blurring Boundaries Human Security and Forced Migration scholars from law and social sciences offer a fresh view on the major issues of forced migration through the lens of human security Although much scholarship engages with forced migration and human security independently they have hardly been weaved together in a comprehensive manner The contributions cover the issues of refugee law maritime migration human smuggling and trafficking and environmental migration Blurring Boundaries critically engages boundaries produced in the law with the main ideas of human security thus providing a much needed novel vocabulary for a critical discourse in forced migration studies
