Watch My Back Geoff Thompson,2001 Depressed bullied and intimidated by life and indoctrinated to believe that this was his lot Geoff Thompson on the verge of a breakdown decided to fight back He took a job as a bouncer in one of Britain s roughest nightclubs His life was never to be the same again This is his story **Born to Fight - The True Story of Richy 'Crazy Horse' Horsley** Richy Horsley,2008-06-02 I took some good shots from him and then I opened up my arsenal and we traded toe to toe I had a burning desire in me to win and started to get him on the back foot when I put him down with my right hand He got up and took the count and the ref waved us to continue I went after him like a predator and was all over him lefts and rights smashing into his head The crowd loved it To the unsuspecting Richy Horsley could just be an unassuming thirty something character Yet in reality Crazy Horse as he is better known is part of the underbelly of the hardman scene Boxer street fighter and bouncer there are few men tougher So tough is he that he has even accepted a challenge from Britain s most dangerous prisoner Charles Bronson to be his first boxing opponent on Bronson s eventual release Richy did not become one of the staunchest fighters in the land without his fair share of turmoil Having lost his father at an early age he channelled his anger through his fists as he became embroiled in run ins with the law It was boxing that saw him turn his rage into something more positive and his anger was used on his opponents in the ring A true warrior in heart and mind Richy s name is one to be feared and respected His story shows that even in the face of overwhelming odds it

L. Tirschel,2005-04 The cop busted through the door and I dove out the window and into the cold night air It was 4am mid December and all I was wearing was my underwear A thin swirl of snow circled the ground three floors below With his gun in one hand the cop grabbed my leg as soon as I was out the window He held me in place and I stood perpendicular to the outside wall of the building I tried to kick off the wall with the foot that was free but I kicked the cops hand instead and he dropped his gun and loosened his grip on my leg I pulled free and flew away and as I floated in the air time played a cruel trick on me It let me fall so slow that I had plenty of time to think how bad it was going to hurt when I landed I calmly wondered if I would be alive once I hit the ground I was comforted by the thought that if I wasn t I would have made good my escape The cops would certainly have me then but at least I would be free It felt good sailing through that black void expecting what was to come Because in that period of time I was free I was as free as a bird in captivity **Black Belt** ,1997-07 The oldest and most respected martial arts title in the industry this popular monthly magazine addresses the needs of martial artists of all levels by providing them with information about every style of self defense in the world including techniques and strategies In addition Black Belt produces and markets over 75 martial
