Watch Out For The Bears:

The Book of Not Entirely Useful Advice A.F. Harrold, 2021-03-23 From acclaimed writer A F Harrold comes a riotous poetry collection that encourages readers to think critically perfect for fans of Shel Silverstein Packed with silly rhymes and witty wordplay A F Harrold s poetry is positively bursting with fun and advice But it s not always the most useful Never apologize to a door you ve walked into unless it s a really special door Don t serve a cat soup when the cat wants jelly Tomato soup won t fill a feline belly Don t put a rock in a roll unless you hate having teeth Among the seemingly nonsensical stanzas on onions sausages and kilted koalas are exercises in critical thinking what advice should readers follow and what should they dismiss Harrold s short clever poems work seamlessly alongside Mini Grey s vibrant art to create visual gags that will have readers in stitches Both silly and poignant this book is perfect for curious readers poets and cabbages everywhere

and the most ferocious predators on the planet converge In the process he becomes embroiled in the controversy surrounding polar bear science and finds out that some of what we've been led to believe about the bears imminent extinction may not be quite the case But mostly what he learns is about human behavior in extreme situations and also why you should never even think of looking a polar bear in the eye
