The Honest Loving Answers Children Need to Hear. What should you say when your five-year-old asks about his dying grandma? Or when your seven-year-old wonders if the devil is real? Or when the sixth graders in your Sunday school class are talking about a tragedy they heard about on the news? When it comes to the dark and tragic aspects of our world, it can be hard to know what to say and how much. Mother-daughter team Elyse Fitzpatrick and Jessica Thompson will carefully walk you through difficult conversations, one topic at a time. Speaking from personal experience, informed by child development research, these two moms offer practical insights and age-appropriate guidance. Talking about tough topics may not be as hard as you think, and more important, you'll see how these conversations can lead to meaningful discussions of God's unchanging goodness. I love this book.
