The Upper Room Jesus Parting Promises For Troubled Hearts:

The Upper Room John MacArthur, 2014-10 In a borrowed or rented banqueting room atop some shop or large family dwelling in Jerusalem the drama unfolded The events and teaching recorded in John 13 16 commonly known as the Upper Room Discourse reveal some of the most poignant and powerful promises for believers in all of Scripture Jesus and His disciples were standing on the precipice of the darkest night in the history of the world The Lord of glory was about to be betrayed and murdered The disciples would be scattered and the boldest of them would deny even knowing Him The Lord knew full well that He Himself would soon undergo an unimaginable deluge of woe He would be spit on and mocked by evil men He would bear the sins of the world He would be cursed with the wrath of God for others sins He would feel as if His Father had utterly abandoned Him Any other man in that situation would have been in such a state of uncontrollable agitation that He would never have been able to focus His attention on the needs of others but Jesus was different He wanted His followers to know the peace of the One who has overcome the world During those final hours before Jesus betrayal He gave His disciples and consequently all believers throughout history His parting promises His last will and testament It is the inheritance of every believer in Christ In The Upper Room pastor John MacArthur takes us back to that night and the glorious hope we have in Christ This is vintage MacArthur an exposition of the text that resonates with devotion to the Lord and love for God's people calling us to know and love the One who loved us to the end Blessed Thanksgiving Dorothea Louise Jacobsen, 2024-12-05 Blessed Thanksgiving is a collection of chatty rhyming poems that advance by charming meter winsome humor and persuasive candor Its timeless truths are the criteria of the 1620 1789 New World order reset which are expounded to quell the seditious ripples emanating from the current socialist riptide through the amber waves of American life and destiny Topics indulge Judeo Christian light and liberties that spread since the unique prominence of church and state under God was envisioned by the founding fathers to be separately respected with mutual benefit to the nation They boldly celebrate the salutary manner of love in faith practice and patriotism that prove necessary and sufficient to perpetuate this great heritage The need for skeptic Americans to have a reliable spiritual toolkit to discern the ideological agenda behind the plethora of mixed messages thrust upon them is addressed A fresh adventure in theological logic is offered in short episodes laced with contemporary relevance Insight to the grace gospel gained by the author's own faith journey identifies counterproductive thinking and basic biblical principles that will keep rewarding for years to come It is hoped that some readers will find this book a springboard for further study others will enjoy the poetry to reconsider popularized stances find closure and peace and the Holy Spirit of Christ will draw many to a vital love relation with him in the words of St Paul by The righteousness from God that depends on faith that I may know him and the power of his resurrection and may share his sufferings being conformed to his death Philippians 3 9 11 Poems feature references to Scripture and to footnotes with sources listed in an index It is hoped that some readers will find this book a springboard for further study sources
