Imperative Scott D. Liebhauser, 2018-01-22 The topic of leadership is ubiquitous in today's era of experts scholars and gurus With a host of voices promoting a myriad of views on this topic it is hard for one to determine who or what is correct This book gets to the heart of the issue by providing an unashamed and historic basis for leading others using biblical truth as the standard The postmodern epoch is fraught with confusion relativity and chaos as basic terms are redefined historic truths are maligned and cultural mores are upended Consequently leaders in this time are often just as confused as their followers who are leaving a trail of destruction in their wake Fortunately there are answers for those seeking to lead with confidence based on something much grander than personal opinion or subjective reasoning In this work Dr Liebhauser explains the pitfalls leaders face in these fluid times of resistance to anything authoritative while providing sound principles by which to effectively lead The reader will appreciate learning about the historical dynamic which fueled postmodern thinking and find hope in the time tested remedies this book provides **Moments of Truth** John MacArthur, 2012-01-17 Devotions that offer

biblical teaching scripture and prayer to match the annual happenings of the calendar and give daily truths from a foremost biblical scholar and author Christianity starts with a life changing encounter with Christ But then what From the beautiful moment of salvation to the dying breath a powerful life in Christ depends on one thing being in continual relationship with the Father But does that relationship deliver only encouragement Or does it offer instruction reshaping and revitalization In

Rene Lauzier, 2024-03-11 Change is accelerating and the world of 2023 is unrecognizable from the world that existed just five years ago. In a very subtle and incremental manner American society has been transformed from what once was the world's premiere super power, a country that was exalted as an example of freedom, justice, morality, and liberty into a divided group of many tribes, cultures, and political and special interest groups, often lacking a moral compass. We go with the loudest tribe fitting our basic ideals or choose to go it alone. And when we try to avoid the many tribes of destruction, we often tend to adopt the idol of the god of self. Community and unity are being left to die, a slow, painful death. America's true north has become obscured because we decided to forego God as the light for our path. This has allowed us to quickly forget the race worth running as well as those foundational values that once comprised what we stood for as a country. But how did we get here and how can the trend of moral decay and divisiveness be reversed? The Great American Backslide came about as a result of not just understanding that our natural tendency as humans is to be selfish and sinful, but knowing we are being given substantial assistance by the dominion of darkness. This book will take us through an analysis of biblical, secular, and non-secular explanations of the existence of evil, how it induces cultural paradigm shifts aimed to ultimately separate us from God, how evil leverages our emotions, our brain chemistry, and our sinful human nature to manipulate subtle and incremental compromises of truth, how evil sustains itself and creates ever-increasing moral decay leading to further evil through a cycle of depravity, and how we can go about living in opposition to evil influences upon our world. *Book 3 Authority PB* Kurt Jurgensmeier, 2012-08-22 Is Scripture really our ultimate authority? Authority is what dictates what we will believe and do. Accordingly, J. I. Packer rightfully remarks, "The problem of authority is the most fundamental problem that the Christian Church ever faces. Most Christians solve the issue by simply saying, 'The Bible is my final authority.' But such a view forgets that there is a human being between us and the Bible, which is why there are a multitude of interpretations of the Bible that people live by." Reformed theologians claim that a testimony of the Spirit confirms to us what is true. But there is no biblical or practical support for this. Accordingly, we are back to our God-given reason and the right and responsibility of private judgment as our ultimate subjective authority by which we live. By Postmoderns are right then to assert that our own reason is the god we live by. But they are wrong to ignore that our ultimate objective authority is God. Who our reasoning will be judged by. 1-3 John John MacArthur, 2007 The apostle John wrote his

three New Testament letters in a bold direct even dogmatic manner more so perhaps than any other New Testament writer Although renowned traditionally as the apostle of love he was an authoritative uncompromising teacher 1-3 John MacArthur New Testament Commentary John MacArthur,2007-03-01 The apostle John is really a man for our time He wrote his three New Testament letters in a bold direct even dogmatic manner more so perhaps than any other New Testament writer Although renowned traditionally as the apostle of love and he was he was an authoritative uncompromising teacher an exclusive style instructor with a crucial message of truth versus error a message which the twenty first century church needs to hear *From Death to Life* John J. Cobb,2012-07-18 For the past thirty years John J Cobb has devoted himself to teaching the foundational truths of the Christian faith His first work Lord When A Biblical Perspective on the Second Coming embodies the authors passion for the accuracy and purity of Gods word His latest work From Death to Life is just another example of his passion for the doctrines of God as it explores some of the core doctrines of the Christian faith such as The Doctrine of God Mans Total Depravity Sin Justification Election Predestination These and others covered in From Death to Life are crucial to the Christians understanding of who they are and the tremendous love God has for us The author is convinced that the main reason so many Christians are so easily misled by false teachers today is a lack of understanding of these doctrines The authors desire is that all who read this book will be strengthened in their faith and rediscover their love for God and His word **Baptists and Public Life in Canada** Gordon L. Heath,Paul R. Wilson,2012-02-02 Public discussion about the relationship between religion and public life in Canada can be heated at times and scholars have recently focused on the historical study of the many expressions of this relationship The experience of Canada s smaller Protestant Christian groups however has remained largely unexplored This is particularly true of Canada s Baptists This volume the first produced by the Canadian Baptist Historical Society explores the connections between Baptist faith and Baptist activity in the public domain and expands the focus of the existing scholarship to include a wide range of Canadian Baptist beliefs attitudes perspectives and actions related to the relationship between Baptist faith and practice and public life *1 Peter* MacArthur New Testament Commentary John MacArthur,2004-06-01 Peter wrote this letter at the outbreak of Nero s persecution urging his readers to have hope and courage in the midst of terrible affliction His words of encouragement still resonate today Even when believers face suffering and hostility they can rest in their salvation live out their testimony and look forward to Jesus return Join John MacArthur as he explains each verse in a way that is both doctrinally precise and intensely practical
