The Vengerova System Of Piano Playing:

The Vengerova System of Piano Playing Robert D. Piano Lessons with Claudio Arrau Victoria A. von Arx, 2014 Claudio Arrau 1903 1991 was a Chilean pianist who devoted his life to an international performing and teaching career As a child prodigy he gained national recognition from government officials in Chile including President Pedro Montt who later funded Arrau s education in Germany He completed his studies in Berlin with Martin Krause a pupil of Franz Liszt and later immigrated to New York City where he began his teaching career and mentored a sizeable group of pupils His unique and magnetic style impassioned his pupils and motivated them to teach his principles to the next generation of students including author Victoria von Arx Piano Lessons with Claudio Arrau highlights interviews with Arrau s surviving pupils from his class in New York City which he taught from 1945 to the early 1970s that give readers an in depth description of Arrau s principles of technique and performance Quotations and lesson transcripts make Arrau s voice and those of his former pupils audible and detailed references to over one hundred examples from filmed recordings make his famed technique visible The bulk of the book features edited and previously unpublished transcriptions of lessons Arrau gave his pupils lavishly illustrated with musical examples The author herself a teacher and performer draws information from numerous interviews with Arrau s pupils from her experience studying with two of them from videos of Arrau s performances and from the recorded lessons By culling these disparate sources of information and presenting them systematically in a single book von Arx provides an
