Poems From the Heart of a Woman Glenda Faye Bagley, 2012-10 My mother Lovella Bagley had ten children She taught her family about Jesus and the biblical principles of His word Her dream was to write a book about her husband and all her children She was married to Lee Earnest Bagley Sr for sixty five years he went home to be with the Lord on December 12 2009 My father had a good sense of humor and an extraordinary personality He provided for his family by working at an apartment complex as a Supervisor of Plumbing in Lubbock Texas In my upcoming book Why am I Here I will talk about specifics in our family s life Our mother was diagnosed with Alzheimer s at the age of seventy five and I watched her sad face as the doctor gave her the news I watched her go from a vibrant woman to being in a wheelchair She was determined to finish writing her poetry in her journal because she was quickly losing her memory Her impeding illness did not discourage her even though she continued to struggle to remember names events and wording Every night she wrote poems and short stories in her journal that she kept in a silver briefcase Some years passed and my siblings and I became her caregivers Throughout the years I thought about that silver briefcase as our family had relocated to Dallas Texas My brother Rodney decided to take a trip to Lubbock Texas to visit relatives During his visit Rodney went to his storage to get furniture and other items to take back to Dallas As he walked through the storage he looked next to a wall and there laid the silver briefcase that held my mother s poems I was so excited I knew there has to be a reason for us finding the silver briefcase In my book Poems from the Heart of a Woman it presents poetry written by my mother as well as myself GPA News

December 2012 , **God Said No** Michele Moran,2023-02-02 How could something so terrible in my eyes so breaking to my heart and so devastating to my family be used for good After many years of what felt like being wide awake in the middle of a nightmare I came to grips with my broken heart It s hard to comprehend the fact that something good could come from watching your child suffer but I realized this is all part of God s plan Have you been there Though my story is different than yours if you apply what I have learned to your situation I am confident you will find hope Whether you are praying for a miracle a healing a breakthrough or maybe you re just praying for normal my hope is that if I can stand boldly and say I would do my life all over again and not change one single thing because of the beauty God has brought to it then you will be able to as well Just as God promised me in Romans 8 28 not one tear I have shed has been wasted because all my life I had been working on my testimony without even realizing it What I saw as broken God was displaying as beautiful And we know that God causes everything to work together for the good of those who love God and are called according to his purpose for them Romans 8 28 NLT *Best Friends Forever: Volume 1* William J.
