## **The Virgin Birth Of Christ:**

The Virgin Birth of Christ James Orr, 2007-12-01 Excerpt from The Virgin Birth of Christ Being Lectures Delivered Under the Auspices of the Bible Teachers Training School New York April 1907 These lectures were delivered during the month of April 1907 in the Chapel of the Fifth Avenue Presbyterian Church New York under the auspices of the Bible Teachers Training School of that city and they are now published practically as prepared for delivery under the same auspices The author regrets that their revision for the press had to be undertaken at a distance from facilities for checking quotations and references in his pages but he trusts that these if not so copious as he could wish will be found generally correct The papers summarised in the Appendix came into the author's hands in New York after his own work was completed and he has made no use of them in the text About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**The Virgin Birth of Christ** John Gresham Machen, 1965

**The Virgin Birth of Christ** Paul Lobstein, 1903 **The Virgin Birth of Christ** Richard Shenk, 2016-06-01 Too often the virgin birth of Christ serves merely as an evangelical shibboleth instead of a doctrine that affects our lives The theological meaning of the virgin birth is rich in and of itself The author argues that the doctrine has been too long ignored by the church Collecting from disparate sources into one brief accessible volume Richard Shenk encourages the church towards boldness to understand the rich theological treasure that the virgin birth of Christ is for us and to live out its significance in joy and practice

**The Virgin Birth of Christ** Gresham J. Machen, 1969

**Conceived by the Holy Spirit**

Rhyne R. Putman, 2024-08-01 The New Testament clearly teaches that Jesus was miraculously conceived by the Holy Spirit in the womb of a Jewish virgin named Mary This doctrine is often dismissed by modern scholars who at best see it as a misunderstood parable and at worst see it as a fabrication on the part of the biblical evangelists However for orthodox Christians around the world this doctrine is integrally linked to our understanding of God his Word and the incarnation of Jesus In *Conceived by the Holy Spirit The Virgin Birth in Scripture and Theology* Rhyne Putman defends the authenticity and significance of the virgin birth of Christ through a meticulous examination of biblical texts and historical context He addresses both traditional and contemporary objections to the doctrine of the virgin birth providing robust answers rooted in Scripture and reason The virgin birth transcends mere parable it stands as a testament to the profound union of God and humanity In this work Rhyne Putman demonstrates not only the truth of the virgin birth but also its necessity for orthodox theology and its implications for Christian life

**The virgin birth**

**of Christ, tr. by V. Leuliette, ed. by W.D. Morrison** Paul Lobstein, 1903      **The Virgin Birth** Richard H. Grützmacher, 1907      Virgin Birth? Gerd Lüdemann, 1998 What historical realities lie behind the birth of Jesus and the idyll of the Holy Family This book investigates all the evidence in the writings of the earliest church and the rival Jewish sources It examines the New Testament Christmas stories reconstructs the traditions used in them and discusses the question of what really happened in connection with the birth of Jesus The picture that emerges is a much darker one in keeping with the troubled times in which Mary gave birth According to anti Christian polemic a scandal was associated with Jesus and his mother This view denigrates Jesus as a child born out of wedlock and brands his mother a sinner But Professor Lüdemann argues the Christian myth of the virgin birth also supports equally pernicious attitudes By claiming that Mary's pregnancy was brought about miraculously by the Holy Spirit it denies the right of women to sexual and cultural self determination Many Protestants and Catholics today continue to assert the virgin birth In so doing instead of taking Mary seriously as a woman of her time and therefore also taking seriously women in our time they trivialize or make taboo the damaging consequences of the myth of Mary for believing men and women      The Virgin Birth: A Biblical Study of the Deity of Jesus Christ Robert Gromacki, 2008-11 Beginning with a fundamental doctrinal summary of the Trinity Gromacki then considers the primary passages in both Testaments that present the virgin birth and the deity of Christ He works through problem texts and supplies plausible alternatives where evangelicals differ topics addressed in the book include the Two Gospel accounts of the virgin birth Matthew and Luke popular misconceptions about the virgin birth physical and biological implications of the virgin birth and the so called parallels to the virgin birth in pagan literature      **The Virgin Birth of Jesus** George Herbert Box, 1916      *The Historical Evidence for the Virgin Birth* Vincent Taylor, 2023-11-01 Vincent Taylor's *The Historical Evidence for the Virgin Birth* is a meticulously researched and thought provoking exploration of the Virgin Birth narrative in the context of historical evidence Taylor delves deep into the origins of the Virgin Birth story discussing its significance within Biblical scholarship and theological debates Through a critical analysis of ancient texts and archaeological findings Taylor presents a compelling argument for the historical validity of the Virgin Birth challenging readers to reconsider their understanding of this fundamental Christian doctrine His scholarly approach and clear concise writing make this book an essential read for anyone interested in exploring the intersection of history and faith Taylor's background as a respected theologian and historian lends credibility to his research and adds a unique depth to his analysis *The Historical Evidence for the Virgin Birth* is a must read for scholars students and anyone seeking a deeper understanding of the Christian faith

**The Virgin Birth of Christ** Francis Scott Mackenzie, 1916 At a comparatively early date in the history of the Christian church it was made a part of the creed to which every believer was required to subscribe that Jesus Christ was born of the Virgin Mary The reason for this was of course the fact that the doctrine had scriptural authority Of the four gospels which were accepted by the church as true accounts of the events recorded therein the two which gave any account of the birth of

Jesus at all represented Him as being born of a virgin There was no difficulty whatever at that time in accepting such a story as literally true     *The Virgin Birth of Jesus Christ* Hubert Vecchierello,1932     *The Virgin-Birth of Our Lord* B. W. Randolph,2022-09-16 In *The Virgin Birth of Our Lord* by B W Randolph the author delves into the miraculous conception of Jesus Christ through the lens of historical records and biblical texts Written in a scholarly and analytical style the book explores the theological significance of the virgin birth and its impact on Christian doctrine Randolph meticulously examines the narrative of the virgin birth within its literary context providing deep insights into its symbolic and doctrinal implications This work is essential for those interested in biblical studies and theology offering a comprehensive analysis of a central tenet of Christianity B W Randolph known for his scholarly contributions to biblical interpretation brings his expertise to bear in *The Virgin Birth of Our Lord* Drawing on his background in theology and biblical studies Randolph offers readers a thorough examination of the virgin birth shedding light on its significance within Christian theology His meticulous research and keen analysis make this book a valuable resource for scholars and enthusiasts alike I highly recommend *The Virgin Birth of Our Lord* to anyone seeking a deeper understanding of the virgin birth and its theological implications B W Randolph's scholarly approach and insightful commentary make this text a must read for students of theology biblical studies and Christian doctrine     *The Virgin Birth* Allan Hoben,1903     *Barth's Interpretation of the Virgin Birth* Dustin Resch,2016-04-08 The doctrine of the virgin birth is intricately woven within the texture of the liturgy theology and piety of all branches of the Christian Church In spite of its enduring influence the doctrine has been dogged by criticism particularly in the modern era By the 20th century the teaching of the virgin birth was rejected by the majority of Protestant theologians in Europe Rejecting the conclusion of many of his contemporaries including that of his own father the Swiss theologian Karl Barth 1886 1968 argued vehemently that understood aright the doctrine of the virgin birth plays a crucial role in Christian thought Barth's legacy in this regard is widely regarded as providing the most influential rehabilitation of the doctrine among Protestants This book offers a comprehensive account and analysis of Barth's interpretation of the doctrine of the virgin birth Setting the doctrine in the context of the western Christian tradition Resch examines it in relation to Barth's discussions in the Church Dogmatics of Christology pneumatology and the interpretation of Scripture The importance of this study lies in the way that it reveals Barth's continuity and discontinuity with both the classical Augustinian tradition of interpreting the virgin birth and the criticisms of the modern era but especially in the way in which attention to Barth's doctrine of the virgin birth reveals his assumptions about the nature of history humanity and the identity of Jesus Christ As a fitting sign of the mystery of the incarnation Barth argued that the virgin birth expressed the dialectic of God's No to sin and Yes to humanity in his free act of revelation and reconciliation As such the doctrine of the virgin birth functioned for Barth as a paradigm through which to understand the fashion of God's work upon human beings and the suitable posture of the human being before God     **The Virgin Birth of Christ** J Gresham Machen,2022-07-28 In what remains a widely discussed issue in contemporary theology J

Gresham Machen's *The Virgin Birth of Christ* acts as both an introduction to the subject and a window into American Princeton theology in the early twentieth century. Machen undertakes an encyclopaedic study of the different perspectives on the virgin birth. He begins with a close reading of the scriptural accounts, comparing and contrasting the stories of Jesus' birth told in Luke and Matthew. Secular historical accounts are then considered, as well as possible alternative theories, including the likelihood of the story being of early Jewish or Pagan origin. Machen's study was the definitive work on the virgin birth for the majority of the twentieth century and remains an invaluable resource both as an apologetic work and as a time capsule of theological progress.     *The Virgin Birth of Jesus Christ* Braxton B. Sawyer, 1957\*

## Adopting the Tune of Phrase: An Mental Symphony within **The Virgin Birth Of Christ**

In a world taken by monitors and the ceaseless chatter of instantaneous conversation, the melodic splendor and mental symphony developed by the prepared term usually disappear into the back ground, eclipsed by the constant noise and disruptions that permeate our lives. Nevertheless, located within the pages of **The Virgin Birth Of Christ** a charming literary treasure full of raw thoughts, lies an immersive symphony waiting to be embraced. Constructed by a wonderful composer of language, that charming masterpiece conducts viewers on a psychological trip, well unraveling the hidden melodies and profound influence resonating within each cautiously constructed phrase. Within the depths of this touching examination, we shall discover the book is central harmonies, analyze their enthralling writing style, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
