The Vision David Wilkerson:

The Vision David Wilkerson, 1981 *The Vision* David R. Wilkerson, 1974 *The Vision and Beyond* David R. Wilkerson, 2003 **Charismatic Chaos** John F. MacArthur, John MacArthur, 1993-07-10 Charismatic Chaos thoughtfully and carefully shines the light of Scripture on teaching that is not only gaining massive and loyal television followin but also leading to disunity on a worlwide scale and promising to fuel controversy for years to come Every Day of My Life Beeb Birtles, 2018-11-01 This is the first book by a founding member of Little River Band the first Australian band to achieve a gold album in the US Every Day of My Life tells the remarkable tale of how Beeb Birtles David Briggs Graeham Goble George McArdle Derek Pellicci and Glenn Shorrock conquered the world and then lost their band The book also documents how a young Dutch boy named Gerard Bertelkamp arrived in Adelaide unable to speak English and ended up in not one but two major bands Zoot with Darryl Cotton and Rick Springfield and Little River Band with Glenn Shorrock and later John Farnham As the title suggests Every Day of My Life is an intensely personal journey Beeb Birtles might have lost his band but he discovered many other things along the way LRB s hits include Reminiscing Help Is On Its Way Lonesome Loser The Night Owls It s a Long Way There Cool Change Happy Anniversary Lady Curiosity Killed the Cat Witchery and Every Day of My Life Due to a bizarre copyright case Beeb Birtles can no longer make music as Little River Band But he can tell their incredible story and his own incredible story **Dancing With The Devil** Kathleen Dryden, 2025-02-21 Dancing With The Devil is about the evil strategies Satan uses to capture the soul of a Christian and how his destructiveness infiltrates the government of a Christian nation When we let this enemy inside the temple of the Lord our heart and mind and into our government entities we will begin to live a life of deep sorrow and regret However regardless of his strategies he cannot enter those places where he doesn t belong unless we give him access through the choices we make that reject Christ s statutes To dance with the devil is to ignore scriptural wisdom willingly trading biblical truth for personal lust and power while still claiming to be a Christian attending church and influencing others especially tender hearts and innocent minds It is to flirt with an evil attitude and or participate in evil behavior Through my own personal experiences as well as those shared by close friends and family I have come to realize how the sinful choices each of us makes contributes to our own demise and to the brokenness in our families which leads to a spiritually and physically broken nation Every Christian must choose to help reduce evil bring justice to the innocent and help turn people to Christ by using wisdom and understanding to make good choices Dancing With The Devil teaches Christians why it is important to let the Lord open the eyes of our heart so we can understand how that living in disobedience to His Word jeopardizes our soul and creates a world of evil evil that begins with the smallest intent of the heart and mind ends with the most wicked action and sets up our people and our nation for failure While we will never eradicate all the evil in the world we must believe that it exists and accurately define it Then we can judge and punish it taking warlike action against it when necessary minimizing its affect on humanity Those whose goal is

eternity in heaven with Jesus must understand His character and His commands To live a life that contradicts His character and commands is to dance with the devil and endorse evil When we discover that we are caught in this bondage we must repent to repent is to stop then turn around and return to Jesus with all our heart letting Him redeem us When we renew our minds to conform to Jesus and His statutes and change our behavior then the Lord will hear our prayer and will heal our land

The Child's Song Donald Capps, 1995-01-01 Theological ideas and biblical injunctions have frequently been employed to legitimate the physical abuse of children Some theological ideas are inherently abusive because they create fear in a child s mind causing a child to feel alone odd and of little worth Donald Capps exposes the abuses that theology and the Bible have inflicted on vast numbers of children In particular he is concerned with the hidden abuses of children by well intentioned adults and the role that religion plays in the legitimation of these abuses
