The Voices Of God Hearing God In The Silence:

The Voices of God Charles R Lanham, 2014-10-19 A common complaint from many is that God never speaks to them They pray they argue they plead but God never responds Fortunately their complaint while common enough couldn't be further from the truth The truth is that God responds to every prayer every request and every cry or plea for help The problem is not on God's end The problem is one that lies squarely on our own two shoulders for we have forgotten how to listen for His Voice or more precisely His Voices and as a result we have lost the ability to hear and discern what He is trying to tell us He created us in His image and likeness and bestowed on us free will a notion that to our great detriment we have all too often taken as an unrestricted license to do all that we desire rather than what is the right and good thing to do what God desires for us to do Man's concupiscence his inclination to sin began almost before he took his first breath Ignoring for the moment the serious damage that sin does to our souls and to our relationship with God we must also consider how it affects our spiritual hearing Every time we sin we do damage to the spiritual cochlea of our soul Our ability to hear the tiny whispering sound of the LORD is diminished by the ever increasing overwhelming noise of sin The good news is that unlike the physical damage to our ears which often results in the permanent loss of hearing we can almost always regain any loss of spiritual hearing Certainly not without serious effort and persistence but with God's grace and the will to build a close personal relationship with Him anyone no matter how much the sinner can once again hear God's voice **Hearing God's Voice**

Sam Williamson, 2016-06-27 I picked it up out of curiosity and I couldn't put it down Eugene Peterson Christians are comfortable saying that Christianity is about a relationship with God Yet many might also say that they sense little meaningful relationship with God in their own lives After all the foundation of good relationship is communication but conversation with God often seems to go only one way We may sing of walking and talking with God in the garden His voice falling on our ears but few have heard that beloved voice themselves Sam Williamson acknowledges the fundamental human longing to hear God's voice and offers a hopeful supposition God is always speaking we've just never been taught how to recognize His voice Williamson handles this potentially heady topic with his characteristic straightforwardness and leavening humor This book deftly bridges the gap between solid biblical theology and practical application addressing topics such as how to truly pray without ceasing how to brainstorm with God how to navigate our emotions how to answer God's questions and how to hear God's voice for others *Hearing God in Conversation* offers simple step by step lessons on how to hear God Williamson begins with Scripture meditation He then expands the practice of listening for that voice everywhere in the checkout line on the job in a movie theater and even in silence From there he demonstrates how to hear God's guidance when making any decision By the end readers eyes and ears will be opened to the limitless methods through which God speaks [Hear God's Voice](#)

Derek Prince, 2020-12-15 Imagine a life in which you clearly hear God's voice and follow His will daily Do you long for God to speak to you bringing guidance strength and comfort Perhaps you have been praying for a word from God but the heavens seem silent Nothing is more important than knowing how to hear from God because our spiritual life depends on it Without it we can't know and obey His will for us and we may go down the wrong path or miss His plans for us The Bible teaches and guides us in essential matters but instruction for God's specific daily purposes for our lives comes from His Holy Spirit who lives within us Being able to hear from God is a growing deepening process that leads us into His perfect plans Through his extensive study of the Scriptures and personal life experiences internationally renowned Bible

teacher Derek Prince explains the practical steps you can take to hear from God develop a close relationship with Him remove obstacles to recognizing His voice and understand the ways in which He communicates Hearing God enables us to follow Him more confidently love Him more deeply and serve Him more completely As you cultivate the practice of hearing God s voice you will receive the fresh daily bread that nourishes you spiritually and find divine direction and strength for your ongoing walk with Him This is the lifestyle you have been waiting for hearing God s voice and following Him each day each step of the way Man shall not live by bread alone but by every word that proceeds from the mouth of God Matthew 4 4
