The Voyages of the Princess Matilda Shane Spall, 2012 Tim and I both understood we had done something really stupid We had underestimated the danger involved in going out to sea We had no radio compass life raft or flares In other words we were a couple of idiots This is the story of Shane and Timothy Spall and their Dutch barge The Princess Matilda After a summer on the Thames they head out to sea with only a road atlas and a vast amount of ignorance and it is absolutely terrifying On their travels memories are triggered of childhood trips to the seaside but also of more recent times A decade before Tim had been diagnosed with acute leukaemia and was given only days to live Shocked at how life can pass you by they decided that when and if Tim got better they would buy a boat As Tim and Shane explore the coast from the Medway to Cornwall eventually they start to wonder could they make it out of England altogether Could Matilda make it to Wales Taking over five years *The Voyages of The Princess Matilda* is a minor epic charting a very personal moving and uplifting story of an everyday couple s adventure around their much loved homeland
