Horne, 2018-12-03 Conversations with Madeleine L Engle is the first collection of interviews with the beloved children s book author best known for her 1962 Newbery Award winning novel A Wrinkle in Time However Madeleine L Engle s accomplishments as a writer spread far beyond children s literature Beginning her career as a literary novelist for adults L Engle 1918 2007 continued to write fiction for both young and old long after A Wrinkle in Time In her sixties she published personal memoirs and devotional texts that explored her relationship with religion At the time of her death L Engle was mourned by fans of her children s books and the larger Christian community L Engle s books as well as her life were often marked by contradictions A consummate storyteller L Engle carefully crafted and performed a public self image via her interviews Weaving through the documentable facts in these interviews are partial lies misdirections and wish fulfillment fantasies But when read against her fictions these truths can help us see L Engle more deeply what she wanted for herself and for her children what she believed about good and evil and what she thought was the right way and the wrong way to be a family than if she had been able to articulate the truth more directly The thirteen interviews collected here reveal an amazing feat of authorial self fashioning as L Engle transformed from novelist to children s author to Christian writer and attempted to craft a public persona that would speak to each of these different audiences in meaningful yet not painfully revealing ways The Joy of Children's Literature Denise Johnson, 2023-12-18 This book provides in depth coverage of children s literature with integrated reading methods in a concise accessible format Johnson emphasizes that reading writing discussing and finding pleasure in children s books are essential tools in being able to recognize and recommend literature and being able to share the joy of children s literature with children themselves This fully updated third edition includes up to date research new book titles within each chapter a greater focus on diversity and inclusion and new sections on Activities for Professional Development and Print and Online Resources *Mr. Lincoln Sits for His Portrait* Leonard S. Marcus, 2023-01-03 Mr Lincoln Sits for His Portrait is a unique middle grade depiction of America s sixteenth president through the story of one famous photograph written by award winning author Leonard S Marcus On February 9 1864 Abraham Lincoln made the mile long walk from the Executive Mansion to photographer Mathew Brady s Washington DC

studio to be joined there later by his ten year old son Tad With a fractious re election campaign looming that year America s first media savvy president was intent on securing another portrait that cast him in a favorable light as he prepared to make the case for himself to a nation weary of war At least four iconic pictures were made that day One was Lincoln in profile the image that later found its way onto the penny two more would be adapted for the 1928 and 2008 five dollar bills The fourth was a dual portrait of Lincoln and Tad The pose featuring Lincoln reading to his son was a last minute improvisation but the image that came of it was and remains incomparably tender and enduringly powerful Immediately after the president s murder the following year the picture of Lincoln reading to his son became a mass produced icon a cherished portrait of a nation s fallen leader a disarmingly intimate record of a care worn father s feeling for his child and a timeless comment on books as a binding force between generations
