The Way of Kings Brandon Sanderson, 2024 First volume in the Internationally bestselling epic fantasy series a benchmark for the genre Epic in every sense GUARDIAN Book of the Week **The Way of Kings** Brandon Sanderson, 2015-06-11 I loved this book What else is there to say Patrick Rothfuss According to mythology mankind used to live in The Tranquiline Halls Heaven But then the Voidbringers assaulted and captured heaven casting out God and men Men took root on Roshar the world of storms And the Voidbringers followed They came against man ten thousand times To help them cope the Almighty gave men powerful suits of armor and mystical weapons known as Shardblades Led by ten angelic Heralds and ten orders of knights known as Radiants mankind finally won Or so the legends say Today the only remnants of those supposed battles are the Shardblades the possession of which makes a man nearly invincible on the battlefield The entire world is at war with itself and has been for centuries since the Radiants turned against mankind Kings strive to win more Shardblades each secretly wishing to be the one who will finally unite all of mankind under a single throne On a world scoured down to the rock by terrifying hurricanes that blow through every few days a young spearman forced into the army of a Shadbearer led to war against an enemy he doesn't understand and doesn't really want to fight What happened deep in mankind's past Why did the Radiants turn against mankind and what happened to the magic they used to wield Readers absolutely love The Way of Kings Incredible impressive or fantastic all these words are an understatement to the quality this book holds The Way of Kings is the beginning of a masterpiece series in epic fantasy Novel
