The Wilderness Campaign Professor of History and Director Mark Snell,1999-06 **Journal of the Indian Wars** Michael Hughes,2001-03-01 Journal of the Indian Wars or JIW was a quarterly publication on the study of the American Indian Wars Before JIW no periodical dedicated exclusively to this fascinating topic was available JIW s focus was on warfare in the United States Canada and the Spanish borderlands from 1492 to 1890 Published articles also include personalities policy and military technologies JIW was designed to satisfy both professional and lay readers with original articles of lasting value and a variety of columns of interest plus book reviews all enhanced with maps and illustrations JIW s lengthy essays of substance are presented in a fresh and entertaining manner **A Journal of the American Civil War: V6-4** Theodore P. Savas,2021-12-31 Balanced and in depth military coverage all theaters North and South in a non partisan format with detailed notes offering meaty in depth articles original maps photos columns book reviews and indexes The Wilderness revisited its place in the CW Stevenson s Division on Brock and Plank Roads Avery and the 33rd North Carolina Death and remembrance of Wadsworth Brig Gen John Marshall Jones Plashes and ambushes of the Irish in the Wilderness Preserving the Wilderness **Cape Fear Confederates** James Gillispie,2014-01-10 The 18th North Carolina Regiment has the dubious distinction of firing the volley at Chancellorsville Virginia that mortally wounded General Thomas Stonewall Jackson This tragic accident has overshadowed the regiment s otherwise valiant service during the Civil War One of Robert E Lee s fighting regiments the 18th North Carolina was a part of two famous Confederate military machines A P Hill s Light Division and Jackson s foot cavalry This revealing history chronicles the regiment s exploits from its origins through combat with the Army of Northern Virginia at Hanover Court House the Seven Days Battles Cold Harbor Petersburg and other battles to its surrender at Appomattox Court House as a battered much smaller shell of its former self A roster of those surrendering officers and enlisted men and brief biographical sketches of those who fought with the regiment for most of the war complete this enlightening account The Maps of the Wilderness Bradley Gottfried,2016-03-14 The Maps of the Wilderness An Atlas of the Wilderness Campaign May 2 7 1864 continues Bradley M Gottfried s efforts to study and illustrate the major campaigns of the Civil War s Eastern Theater This is his fifth book in the ongoing Savas Beatie Military Atlas Series The previous four were The Maps of Gettysburg 2007 The Maps of First Bull Run 2009 The Maps of Antietam 2012 and The Maps of the Bristoe Station and Mine Run Campaigns 2013 This latest magisterial work breaks down the entire campaign and all related operational maneuvers into 24 map sets or action sections enriched with 120 original full page color maps These spectacular cartographic creations bore down to the regimental and battery level The Maps of the Wilderness includes an assessment of the winter of 1863 1864 the planning for the campaign the crossing of the Rapidan River and two days of bloody combat and the day of watchful stalemate thereafter At least one and as many as eight maps accompany each action section Opposite each map is a full facing page of detailed footnoted text describing the units personalities movements and

combat including quotes from eyewitnesses depicted on the accompanying map all of which make the story of the first large scale combat of 1864 come alive Each cartographic snapshot also serves to unlock everything ever written on the subject This detailed coverage also includes an order of battle interview with the author bibliography and an index This original presentation leads readers on a journey through the epic battle that would prove to be the opening salvo in a prolonged fight that would not end until the Confederates surrendered at Appomattox in April 1865 The Wilderness Campaign has two unique characteristics First although he did not command the Army of the Potomac the battle was Ulysses S Grant s first against General Robert E Lee Second the Wilderness fighting prolonged bloody and inconclusive is widely viewed as the most confusing action of the entire war The dense thickets and deep smoke obscured much of what occurred during the two days of combat Gottfried s book cuts through the confusion to deliver a clear account of the horrendous struggle Perfect for the easy chair or for walking hallowed ground The Maps of the Wilderness is a seminal work that like his earlier studies belongs on the bookshelf of every serious and casual student of the Civil War or in the hands of an avid enthusiast out walking the Hallowed Ground
