The Women Outside Meanings And Myths Of Homelessness:

The Women Outside Stephanie Golden,1992 A new portrait of homeless women debunks current stereotypes about the so called mental illness of homeless women and calls for new public policies recognizing that homelessness is mostly a result not of individual pathology but of a lack of affordable housing

Homeless Women and Homeless Women with Mental Illnesses DIANE Publishing Company,1995-11 Over 100 annotated entries including books and journal articles

Women's Homelessness in Europe Paula Mayock,Joanne Bretherton,2017-02-08 This book marks a critical contribution in assessing and extending the evidence base on the causes and consequences of women s homelessness Drawing together work from Europe s leading homelessness scholars it presents a multidisciplinary and comparative analysis of this acute social problem including its relationship with domestic violence lone parenthood motherhood health and well being and women s experience of sustained and recurrent homelessness Working from diverse perspectives the authors look at the responses to women s homelessness in differing cultures and regions and within various forms of welfare states They focus in particular on relating the gender dimensions of welfare and social policy to women s experiences when they become homeless This innovative and timely edited volume will appeal to students and scholars of sociology social policy

anthropology and gender and women s studies along with international policy makers Transitional Programs for Homeless Women with Children Judy K. Flohr,2013-10-28 First published in 1999 Family homelessness is one of the most profound and disturbing social problems of the 1990 s and will be one of the most important issues facing the United States in the twenty first century The main purpose of this study was to develop a transitional program framework that can assist homeless women with children to become self sufficient In order to create this framework this study identified current program areas and components in transitional programs for homeless women with children including education and employment training components and determined which program areas and components of current programs have a relationship to programs with successful outcomes *Homelessness* Kennett, Patricia,Marsh, Alex,1999-09-15 The issue of homelessness has become extremely important in policy debates during the 1990s Yet analysis that links the phenomenon of homelessness to wider debates about the changing social and economic environment remains relatively underdeveloped This important new book brings together contemporary theoretical debates and original empirical research in order to explore the nature experience and impact of social change in the new landscape of precariousness in which new sets of risks and uncertainties have emerged It adopts a multi disciplinary approach which is essential in developing a more subtle understanding of both the complex processes leading to and the experience of homelessness Central to contemporary theory and practice is the enhancement of our understanding of how homelessness disadvantage and social exclusion impact differently on various social groups Homelessness provides a strong contribution to the academic debate and is essential reading for students and researchers in a range of subject areas including housing studies social policy socio legal studies

and public administration Homelessness, AIDS, and Stigmatization Lois Takahashi, 1998 Homelessness AIDS and Stigmatization The NIMBY Syndrome in the United States at the End of the Twentieth Century argues that it is the rise in community opposition across race class and region that should be considered in terms of the changing social construction of stigma i e the ways in which people define those who are acceptable and those who are not Three particular themes underlie the arguments made throughout this book a the importance of economic welfare state and demographic restructuring in community response to homelessness and HIV AIDS b the significance of the social and spatial construction of stigma for ongoing and future community response and c the role of institutions such as municipal governments and the courts in defining and adjudicating local facility siting disputes To explore these themes the author uses both quantitative and qualitative data and methods Oxford Geographical and Environmental Studies aims to publish the best original research studies in the related fields of geography and environmental studies Its scope is international presenting a broad and diverse range of scholarly approaches from across the world Series Editors Gordon Clark Andrew Goudie and Ceri Peach *A Roof Over My Head, Second Edition* Jean Calterone Williams, 2016-10-07 Based upon extensive ethnographic data A Roof Over My Head examines the lives of homeless women who cope with domestic violence low income housing shortages and poverty The author draws upon interviews with homeless women interviews with housed people and finally evaluations of shelter services philosophies and policies to get at the causes and social constructions of homelessness A Roof Over My Head is a groundbreaking study that unveils the centrality of abuse and poverty in homeless women s lives and outlines ways in which societal responses can and should be more effective The second edition explores recent attempts to integrate homeless and battered women s shelters and recent research on domestic violence as a cause of homelessness It contains a new introduction that analyzes the most recent homeless policy developments and paints a picture of the homeless population today With updated statistics and policy information throughout the second edition of A Roof Over My Head illustrates why ending homelessness in the United States continues to present a thorny and complex challenge *The ...
