The Philosophy of the Christian Curriculum R. J. Rushdoony,2012-10-17 The Christian School represents a break with humanistic education but too often in leaving the state school the Christian educator has carried the state s humanism with him A curriculum is not neutral it is either a course in humanism or training in a God centered faith and life The liberal arts curriculum means literally that course which trains students in the arts of freedom This raises the key question is freedom in and of man or Christ The Christian art of freedom that is the Christian liberal arts curriculum is emphatically not the same as the humanistic one It is urgently necessary for Christian educators to rethink the meaning and nature of the curriculum It should be clear then that whether history science mathematics grammar literature ecology civic duty or law every aspect of curriculum must be reconstructed along Biblical lines The overall objective is for Christian families to prepare and equip themselves for service

in the Kingdom of God and this cannot be done without a rethinking of the philosophy of the Christian curriculum In this study Rousas John Rushdoony develops the philosophy of the Christian curriculum It is the pioneering study in this field and it is important reading for all Christian educators **Prophecy Unveiled** John Buckley,2007-09 Dr Buckley skillfully explores many of the hidden but powerful prophecies in the Bible His very clear biblical exposition defangs some cherished doctrinal issues such as dispensationalism dual covenant restoration of Israel to its homeland and the rapture Social Issues

The TRUE Bible Timeline R. Craig Bridgforth,2021-03-10 It is becoming increasingly popular among the intelligentsia to claim that treasured Bible history is nothing more than a myth Proponents conclude that since the church is unsure of when these events transpired perhaps they never happened in the first place Unfortunately this alarming trend appears to be gaining more acceptance in our seminaries and churches The True Bible Timeline seeks to dispel such notions by providing an accurate resource to properly date the Old Testament The result of a five year long project it accurately establishes and painstakingly documents the dates of key Bible figures and events starting with the Creation of Adam and ending at the Cross of Christ The complete chronology for 200 Bible events is included in the appendix Guided by His Wisdom author R Craig Bridgforth built this timeline through a meticulous process that allowed him to produce a trustworthy and accurate resource that will enrich studies of the Old Testament with new understanding and insight Developed almost entirely from Scripture this reference guide provides a reliable chronology of events and figures from the Old Testament *General Bible Introduction and Articles of Faith* Bob L'Aloge,2003-01-27 From this well known historian comes the history of how we got the Word of God read by millions of people today Plus this volume offers the Articles of Faith held by the Particular Baptists from John the first Baptist to the present Like the first in the Crying in the Wilderness Series this was written while L Aloge was pursuing his Doctorate in Theology and is grade A material for the average lay person seminary student and pastor A valuable Christian Bible tool to be used and studied over and over both at home and in church *2030 - The Sixth Thousandth Year* Paul R. Finch,2023-11-10 From the opening chapter we read It is time to rewrite ancient history The chronology of ancient history as presented by modern secular scholarship is totally and emphatically bogus The entire subject of biblical chronology as well as all ancient world chronology is herein challenged as never before Now for the first time Mr Finch corrects the errors of past chronological studies With this important research it is now possible to finally create a chronology of the ancient world that at long last fits all the pieces perfectly together This timely study puts biblical chronology together in a new light and is conclusively a breakthrough investigation that cannot be ignored This exciting research is a must read for all biblical students henceforward **Wonders of Divine Arithmetic, being an analytical examination of the number of the sacred name of Jesus, in Greek, 888, and its various correlatives, etc** Edward FLOWER (of Jersey.),1857 **The Land, the Seed and the Blessing** William T. Kump,2018-10-01 A profoundly detailed and comprehensive handbook that brings order and clarity to the many stories of the Bible The Land the Seed and the

Blessing is a unique and comprehensive handbook to the Bible that lays out the events of the Bible in chronological order and details where they occurred. Its unique organization reveals the many stories of the Bible as if it were a sprawling page turning historic novel. The clarity of Kump's Herculean efforts serves to deepen one's relationship to the Bible, faith, and God. The Land, the Seed, and the Blessing is perfect for the average pew sitter who cannot put it all together, the young parent inquirer who is somewhat intimidated about church, and Bible students in a college level semester Bible course and preachers who want to do the Bible in 48 sermons of 20 to 50 minutes each. **Approaching the New Millennium** Paul Butler, 1998. By looking at history and geography, it is clear that many end time passages from the Old Testament prophecies have been fulfilled. Applying the same process to the familiar New Testament end time passages, Butler shows that most of these prophecies have also been fulfilled.
