The Words Of Joseph Smith:

The Words of Joseph Smith Andrew F. Ehat, Lyndon W. Cook, 1991 **Teachings of the Prophet Joseph Smith** Joseph Smith (Jr.), Joseph Fielding Smith, 1938 *Joseph Smith* Edward Allebest, 2025-08-22 The Church of Jesus Christ of Latter day Saints has always had detractors trying to both discourage investigators from joining the church and encourage members to abandon the church Their primary tactics are to slander Joseph Smith his teachings and the church he claimed to have restored Without some fundamental knowledge about Joseph Smith and his legacy these anti LDS materials can create confusion doubt and a crisis of faith The first three essays of this collection explore Joseph Smith s character accomplishments and discipleship With that foundational information in place the reader is better prepared to examine the various controversies The fourth essay delves into the quagmire of criticisms that have enveloped Joseph Smith his doctrine and the LDS Church and suggests how to navigate the tactics used by antagonists Joseph Smith and Word of Faith Movement , *Doctrine of the Priesthood Vol 9 No. 4 - The Church of the Firstborn and its Formal Organization on April 3rd, 1992 — Together with a Brief Summary of its Principles and Doctrinal Teachings and a Short History of Succession in the Priesthood* , **The Revised and Expanded Teachings of the Prophet Joseph Smith** , 2024-12-03 For nearly a century Teachings of the Prophet Joseph Smith first published in 1938 was the standard source for studying the profound teachings and revelations of the founding prophet of the Restoration Drawing on a rich collection of sermons letters and journal entries Teachings provided Latter day Saints with an accessible compilation of Joseph Smith s revelatory doctrines that highlighted his unique ability to make heavenly concepts accessible to everyday people The Revised and Expanded Teachings of the Prophet Joseph Smith Compared with the Earliest Known Manuscripts offers readers not only a preservation of Joseph Fielding Smith s original compilation but also a side by side comparison with the primary sources that it was based on With modern scholarship shedding new light on these sources the updated volume allows readers to explore both the Prophet Joseph Smith s revelatory insights and the historical context in which his teachings were first shared This balanced approach honors the enduring legacy of the original Teachings while encouraging deeper exploration and understanding of their origins **Joseph Smith** John G. Turner, 2025-06-17 From an award winning biographer a riveting and deeply researched portrait of Mormonism s charismatic founder Joseph Smith Jr 1805 1844 was one of the most successful and controversial religious leaders of nineteenth century America publishing the Book of Mormon and starting what would become the Church of Jesus Christ of Latter day Saints He built temples founded a city state in Illinois ran for president and married more than thirty women This self made prophet thrilled his followers with his grand vision of peace and unity but his increasingly grandiose plans tested and sometimes shattered their faith In this vivid biography John G Turner presents Smith as a consummate religious entrepreneur and innovator a man both flawed and compelling He sold books land and merchandise And he relentlessly advanced doctrines that tapped into anxieties about the nature and meaning of salvation the validity of

miracles the timing of Christ's second coming and the persistence of human relationships for eternity His teachings prompted people to gather into communities evoking fierce opposition from those who saw those communities as theocratic threats to republicanism With insights from newly accessible diaries church records and transcripts of sermons Turner illuminates Smith's stunning trajectory from his beginnings as an uneducated impoverished farmhand to his ultimate fall at the hands of a murderous mob revealing how he forged a religious tradition that has resonated with millions of people in the United States and beyond

An Experiment on the Word Adam Miller, 2011-09 This book is based on a novel idea that Mormons do theology Doing theology is different from weighing history deciding doctrine or inspiring devotion Theology speculates It experiments with questions and advances

hypotheses It tests new angles and pulls loose threads It reads old texts in careful and creative ways Theology in this sense is not an institutional practice It has no force beyond the charity it demonstrates and it decides no questions beyond what the Brethren have settled It is the work of individuals who for its own sake want to see what ideas about Mormonism may at least for a time fly The Mormon Theology Seminar aims to promote such work The Seminar is both unofficial and independent It is scholarly in orientation and cooperative in practice It focuses on organizing short term seminar style collaborations that over the span of a few months of intense discussion consider specific questions about Mormon theology through close readings of basic Mormon texts This book makes public the papers that resulted from one such seminar The result A collective consideration on the relationship between faith and the word in Alma 32 [Mormonism and the Nature of God](#) Kurt Widmer, 2012-10-12 Until around the latter part of the 20th century Mormonism has been presented in scholarly reconstructions as a religion that has not changed significantly from its beginnings whose presently held beliefs existed as a central core of doctrine at the church's founding in 1830 The author argues instead that the development of Mormonism has been primarily due to external events popular cultural philosophical religious and scientific and that these influences have led to the emergence of several streams of thought that are actually in opposition to the early beliefs of the church Mormonism can be seen as a reflection of the development of American society and culture from the early 1800s to the present The major aim of this work is to establish a proper chronology for the development of Mormon thought specifically in its concept of the nature of God **The Essential Works of Joseph Smith** Joseph Smith Jr., 2020-10-22 This carefully crafted ebook The Essential Writings of Joseph Smith Jr is formatted for your eReader with a functional and detailed table of contents [_x000D_ Table of Contents _x000D_ The Book of Mormon _x000D_ The Doctrine and Covenants of the Church of Jesus Christ of Latter Day Saints _x000D_ The Pearl of Great Price _x000D_ The Lectures on Faith _x000D_ The Wentworth Letter _x000D_ General Smith's Views of the Powers and Policy of the Government of the United States _x000D_ History of the Church of Jesus Christ of Latter day Saints _x000D_ History of the Prophet Joseph by His Mother _x000D_ Joseph Smith's Polygamy, Volume 3: Theology](#) Brian C. Hales, 2013-02-26 Americans of Joseph Smith's day steeped in the stories and prophecies of the King James Bible certainly knew about plural marriage but it was a curiosity relegated to the misty past of patriarchs Abraham and Jacob who never gave reasons for their polygamy It was long abandoned Christians understood by the time Jesus set forth the dominating law of the New Testament But how did Joseph Smith understand it Where did it fit in the restitution of all things Acts 3:21 predicted in the New Testament What part did it play in the global ideology declared by this modern prophet who produced new scripture new revelation and new theology During Joseph Smith's lifetime polygamy was taught and practiced in intense secrecy with the result that he never fully explained its doctrinal underpinnings or systematized its practice As a result reconstructing Joseph Smith's theology of plurality is a task that has seldom been undertaken Most theological examinations have either focused on its development during Brigham Young's Utah period with

its need to resist increasing federal legislative and judicial pressures or the efforts of twentieth century and contemporary fundamentalists who continue to marry a plurality of wives Volume 3 of this three volume work builds on the carefully reconstructed history of the development of Mormon polygamy during Joseph Smith's lifetime then assembles the doctrinal principles from his recorded addresses the diary entries of those closely associated with him and his broader teachings on the related topics of obedience to God's will marriage and family relations and the mechanics of eternal progression salvation and exaltation The revelation he dictated in July 1843 that authorized the practice of eternal and plural marriage receives unprecedented examination and careful interpretation that illuminate this significant document and its underlying doctrines Attempts to explain the history of Joseph Smith's polygamy without comprehending the theological principles undergirding its practice will always be incomplete and skewed This volume which takes those principles and evidences with the utmost seriousness has produced the most important explanation of why this ancient practice reemerged among the Latter day Saints on the shores of the Mississippi in the early 1840s

History of the Prophet Joseph by His Mother Lucy Smith, 2020-09-28 This history of the Prophet Joseph Smith originally entitled The History of Mother Smith by Herself was written at the dictation of Lucy Smith mother of the Prophet by Mrs Martha Jane Knowlton Coray who acted as her amanuensis It was taken from the words of Mother Smith and dictated from memory mostly but she also made use of such historical memoranda of the events related as were within her reach Of the original manuscript one copy was taken which was left with Lucy Smith while the original was retained by the writer This original Mrs Coray held in her possession until her arrival in Utah when she subsequently deposited a copy of it with President Brigham Young Lucy Smith died near Nauvoo May 5 1855 but years prior to this date some of her effects were left in the hands of her son William Smith among them being the manuscript copy of this history From William who was the last surviving brother of the Prophet and whose death occurred at Osterdock Clayton county Iowa November 13 1893 the document fell surreptitiously it is declared by George A Smith into the hands of Isaac Sheen who was at one time a member of the Church in Michigan When in September 1852 Apostle Orson Pratt went on a mission to England he called on Mr Sheen on his way East and being shown the manuscript copy he purchased it for a certain sum of money took it to Liverpool with him where without revision and without the consent or knowledge of President Young or any of the Twelve it was published under his direction in 1853 It was afterwards discovered that the book contained errors occasioned by its not being carefully compared with historical data Some of the statements in the preface written by Elder Pratt were also in error one especially that the book was mostly written in the lifetime of the Prophet and that he had read it with approval was incorrect since it was written in 1865 the year following his martyrdom For these reasons and others mostly of a financial character it was disapproved by President Young on August 23 1865 and the edition was suppressed or destroyed While some statements contained in the work were considered somewhat overdrawn a circumstance easily accounted for when we remember the age of Mother Smith the losses she had sustained in

the death of a husband and four sons and the consequent lapses of her memory its many merits were fully recognized by the authorities many of whom were greatly disappointed at the necessity of issuing the order to temporarily suppress its further circulation *Joseph Smith* Dan Vogel,2004 A psychological biography of Joseph Smith presents a comprehensive account of his life set against a backdrop of theology local and national politics Smith family dynamics organizational issues and interpersonal relations **Joseph Smith's Teachings** Joseph Smith (Jr.),1913 **The Life of Joseph Smith, the Prophet** George Q.
