The Spiritual Hierarchy of the Universe from God to Man Walker Thomas,2013-03-03 THE SPIRITUAL HIERARCHY OF THE UNIVERSE FROM GOD TO MAN ACCORDING TO THE URANTIA BOOK describes the structure of the universe from God all the way down to us humans on our little planet earth called Urantia by higher beings Here we begin our eternal quest to find God and become perfect like Him thereby earning our wings to live in eternity according to God s Laws of Love This information is given to us in a true revelation published in 1955 called THE URANTIA BOOK which helps us better grasp the true meaning of life in the universe This teaching manual follows its companion titled THE SPIRITUAL ASCENSION PLAN OF THE UNIVERSE FROM MAN TO GOD ACCORDING TO THE URANTIA BOOK as described in the Introduction to each of the books in this series of 30 books under the umbrella title PEACE PLEASE These two companion books are both written to help the reader understand terms referred to in Part IV called The Life and Teachings of Jesus referred to herein as The Jesus Papers that are only explained in detail in the preceding Parts I II and III of THE URANTIA BOOK This will help to keep the reader s focus on the heart of the teachings of URANTIA which is The Jesus Papers So the objective of this simplification is to provide a minimum amount of clarifying passages from the first three parts of the book in order to make available a maximum amount of understanding to the reader of the Jesus Papers concerning the structure of the universe in which the ascension plan to God actually takes place Writing these simplifications for this Spiritual Hierarchy requires making strict decisions as to what is selected for inclusion and what is left in its original context and the cost of making these strict decisions is to leave out incredibly rich passages that contain wisdom that we can t find anywhere else on the planet So trying to include this minimum amount of text requires creating a sensitive yet decisive balance between exclusion and inclusion There is no fool proof method of simplifying the text but these related manuals are our best effort to do that in spite of the difficulties

revelation itself this anthology is holistic and interdisciplinary However it does not provide essays on the social and natural sciences these topics will be covered in a future volume Reason and Revelation is divided into four parts I General Studies II Origin and Influence Studies III Religion Ethics and Spirituality IV Philosophy and Theology Because no prior knowledge of the UB is required Part I provides a beginner s orientation The later sections further introduce UB teachings on more specific topics building upon this earlier section Most but not all of these later essays are chosen because they are comparative they assess the UB s teachings in relation to the contemporary academic understanding of the chosen topic Several chapters simply provide studies of key topics at academic depth To further aid readers the anthology provides an extensive glossary appendices charts and an index
