The Vicar Of Nibbleswicke:

The Vicar of Nibbleswicke Roald Dahl, 2017-09-07 The Reverend Lee is suffering from a rare and acutely embarrassing condition Back to Front Dyslexia It affects only his speech and he doesn't realize he's doing it but the parishioners of Nibbleswicke are shocked and confused by his seemingly outrageous comments At last a cure is found and the mild mannered vicar can resume normal service Or at least as normal as is possible for a man who must walk backwards to be sure of talking forwards A highly comic tale in the best Dahl tradition of craziness written for the benefit of the Dyslexia Institute

The Vicar of Nibbleswicke Roald Dahl, 1994-05-01 The vicar's speech impediment leads to holy hysteria in an otherwise quiet country parish

Vicar of Nibbleswicke Roald Dahl, 1991-01

What is Literature? Arthur Gibson, 2007

The answer to the question what is literature has not been found This is the first book length attempt to find the answer by one author since Sartre in his 1948 book with the same title The book addresses issues such as how does literature speak to the world what is great writing what is originality what sorts of truths are there if any in creative writing The book uses hundreds of literary examples and confronts them with philosophy The book also explores some big questions about the meaning of life and sets them against a range of literature It asks questions like how does great science relate to literature The book advances the concept of counter intuition as part of the basis for answering the question what is literature The book is also concerned with practical matters such as the ways literature is involved with war corruption rights suffering and hope

Popular Children's Literature in Britain Julia Briggs, Dennis Butts, 2016-12-05 The astonishing success of J K Rowling and other contemporary children's authors has demonstrated how passionately children can commit to the books they love But this kind of devotion is not new This timely volume takes up the challenge of assessing the complex interplay of forces that have created the popularity of children's books both today and in the past The essays collected here ask about the meanings and values that have been ascribed to the term popular They consider whether popularity can be imposed or if it must always emerge from children's preferences And they investigate how the Harry Potter phenomenon fits into a repeated cycle of success and decline within the publishing industry Whether examining eighteenth century chapbooks fairy tales science schoolbooks Victorian adventures waif novels or school stories these essays show how historical and publishing contexts are vital in determining which books will succeed and which will fail which bestsellers will endure and which will fade quickly into obscurity As they consider the fiction of Angela Brazil Enid Blyton Roald Dahl and J K Rowling the contributors carefully analyse how authorial talent and cultural contexts combine in often unpredictable ways to generate and sometimes even sustain literary success

A Life in Fifty Books Anthony Cheetham, 2025-03-06 There are good publishers and there are great publishers And then there's Anthony Cheetham Richard Dawkins In November 1966 by way of Mexico City Eton College Balliol College Oxford and a Norwegian raspberry farm Anthony Cheetham entered the doors of a publishing company for the first time to begin work as a junior editor Fifty eight years later he could look back on a career in

which he had shaped the landscape of post war British publishing to a significant degree having established such prominent and notably successful companies as Century Orion Quercus and Head of Zeus and launched imprints from Abacus in 1973 to Zephyr in 2017 that continue to flourish in the third decade of the twenty first century Starting with Homer's Odyssey and ending with works by the evolutionary biologist Richard Dawkins and the German historian Ernst Kantorowicz Anthony Cheetham has selected fifty books as mileposts with which to map the course of his long and productive career Many of these are titles that he himself published Dune The Thorn Birds A Suitable Boy Meetings with Remarkable Trees The Girl with the Dragon Tattoo some are books he wished he had published Stephen Hawking's A Brief History of Time others are simply masterworks that left an indelible mark on him The Lord of the Rings War and Peace A Life in Fifty Books is an affectionate and revelatory account of a publishing life remarkable for its longevity its entrepreneurial energy and for the breadth and catholicity of its output which runs the gamut of seriousness from academically distinguished works of history science and philosophy to Confessions of a Window Cleaner Full of encounters with remarkable individuals as well as extraordinary books and embellished with beautiful photographs of book jackets from the 1950s to the present day A Life in Fifty Books is an engagingly written survey of an industry which in its author's well chosen words offers its practitioners a passport to roam across the entire spectrum of human experience endeavour and belief

The Collar Sue Sorensen, 2014-12-25 Combining thematic analysis and stimulating close readings The Collar is a wide ranging study of the many ways heroic or comic shrewd or dastardly in which Christian clergy have been represented in literature from George Herbert and Laurence Sterne via Anthony Trollope G K Chesterton T S Eliot and Graham Greene to Susan Howatch and Robertson Davies and in film and television such as Pale Rider The Thorn Birds The Vicar of Dibley and Father Ted Since all Christians are expected to be involved in ministry of some type the assumptions of secular culture about ministers affect more than just clergy Ranging across several nations particularly Britain the U S and Canada denominations and centuries The Collar encourages creative and faithful responses to the challenges of Christian leadership and develops awareness of the times when leadership expectations become too extreme Using the framework of different media to make inquiries about pastoral passion frustration and fallibility Sue Sorensen's well informed sprightly and perceptive book will be helpful to anyone who enjoys evocative literature and film as well as to clergy and those interested in practical theology
