Leonard,2006-09-26 Winner Of The National Outdoor Book Award For Literature When Beth Leonard and her partner Evans Starzinger returned from a three year 35 000 mile circumnavigation they thought they were done with offshore voyaging But neither realized how irrevocably they had been changed by their experience nor how irresistible the siren song of the sea would prove In comparison life ashore seemed dull and monochrome and within months Beth knew she had to go back to sea in order to remain true to the person she had become Four years later they set out on their 47 foot aluminum sloop Hawk for a journey that lasted six years and took them more than 50 000 miles They voyaged to Newfoundland Iceland Norway the Caribbean Ireland Scotland Cape Horn New Zealand the South Pacific British Columbia to the ends of the earth and back *Blue Horizons* is Beth Leonard s record of that journey Compiled from her popular columns in *Blue Water Sailing* magazine which she wrote along the way *Blue Horizons* is more than an adventure saga more than the log of an extended passage As in all great travel writing it s the product of an insatiable hunger to explore the world and in so doing to explore one s own soul It is says Beth about pulling your dreams over the horizon to you one sail change one course correction at a time But this is no dreamer s tale Beth Leonard is both sailor and writer well qualified to deal with and describe blue water voyaging Her observations are as sharp as salt air and her prose as informed as it is insightful and entertaining Beth also brings to *Blue Horizons* a uniquely feminine perspective a combination of empathy charm and lyric grace Her pages are suffused with emotion and a strong sense of immediacy You re with Beth and Evans as Hawk pokes into a lonely and deserted outport on Newfoundland s barren

northeast coast and as they await hurricane Lenny in Antigua And you sympathize as she burrows deep into her tilting berth seeking that one elusive interval of comfort that will bring sleep on a pounding windward passage only to be dashed awake by the cold shock of a rogue wave spilling into her bunk Blue Horizons is a rare journey one to be savored by sailors and armchair adventurers alike Praise for Blue Horizons In her new wonderful book Beth Leonard shows us a world in which perfection is not bland easy escapist comfort in a crowded tropical harbor but a more insecure yet more rewarding existence of constant challenge cold waters rocky coves old fishing villages demanding seamanship and the evolution of two sailors trying to manage a boat and also their own relationship John Rousmaniere author of Fastnet Force 10 After the Storm and The Annapolis Book of Seamanship Let Beth Leonard inspire you to sail around the world explore the high latitudes or discover your own capacity for adventure Each nugget in this dream becomes reality series of revelations is worth a thousand pictures Gary Jobson ESPN sailing commentator America s Cup Hall of Famer and author of Gary Jobson s Championship Sailing Blue Horizons chronicles a remarkable adventure through some of the globe s most inhospitable waters Every account in this collection provides a taste and sometimes a feast It is wise perceptive wonderful If you have ever wondered what it might be like to exchange conventional comforts for an adventure not packaged with round trip airfare Beth Leonard has written these dispatches to you Don Casey author of This Old Boat and Don Casey s Complete Illustrated Sailboat Maintenance Manual
