The Warwick Rowers Calendar 2016:

Contemporary Masculinities Brendan Gough,2018-04-19 This book assesses the construction of masculinities in relation to appearance embodiment and emotions by drawing on perspectives in psychology sociology gender studies and public health Brendan Gough questions conventional assumptions about masculinity and men s health and responds to recent trends in critical studies of masculinities which discuss positive or healthy masculine identities The book showcases discursively inflected qualitative research using data sources where men s own accounts are prioritised in depth interviews and online discussion forums Chapters discuss men s appearance concerns and activities and examine male mental health focusing on vulnerability and its management Current trends and key concepts including intersectionality inequalities and embodiment are also considered throughout This book will appeal to students and academics within social sciences and humanities interested in gender issues in general and masculinity in particular Sex Cultures Amin Ghaziani,2017-04-03

Why is it so hard to talk about sex and sexuality In this crisp and compelling book Amin Ghaziani provides a pithy introduction to the field of sexuality studies through a distinctively cultural lens Rather than focusing on sex acts which make us feel flustered and blind us to a bigger picture Ghaziani crafts a conversation about sex cultures that zooms in on the diverse contexts that give meaning to our sexual pursuits and practices Unlike sex which is a biological expression the word sexuality highlights how the materiality of the body acquires cultural meaning as it encounters other bodies institutions regulations symbols societal norms values and worldviews Think of it this way sex culture sexuality Sex Cultures offers an introduction to sexuality unlike any other Its case study and debate driven approach animated by examples from across the globe and across disciplines upends stubborn assumptions that pit sex against society The elegance of the arguments makes this book a pleasurable read for beginners and experts alike *Warwick Rowers* Angus Malcolm,2015-10 A luxurious photographic collection featuring The Warwick Rowers of calendar fame All images shot on location in England and Spain
