The Whorehouse That Jack Built:

The Whorehouse That Jack Built Kevin Sweeney, 2015-08-05 It was a whorehouse but not one open to just anyone To get there you had to be dying or insane The services offered were all offered for the same price which was everything you had There were paths there that only those who had crossed the border into the Undiscovered Country could find if they knew the landmarks to follow the signs to watch for Clem followed and watched and two days ago his mule had died of exhaustion and it was just him and Lady keepin on who knew how and finally they came to a dead town with no name at twilight and a whorehouse with a sign above the door that Clem could not read A SOILED DOVE IN A CAGE PUTS ALL HEAVEN IN A RAGE A whorehouse run by demons A whorehouse that offered the greatest pleasures a man could ever want in exchange for everything he had Am I gonna do this Am I really gonna The cancer in his belly twisted spikes through his impacted bowels and in front of him lay Lady a sacrifice And Clem pushed that door open and stepped across the threshold

Lars von Trier Linda Badley, 2011-02-24 Scandinavia's foremost living auteur and the catalyst of the Dogme95 movement Lars von Trier is arguably world cinema's most confrontational and polarizing figure Willfully devastating audiences he takes risks few filmmakers would conceive mounting projects that somehow transcend the grand follies they narrowly miss becoming Challenging conventional limitations and imposing his own rules he restlessly reinvents the film language The Danish director has therefore cultivated an insistently transnational cinema taking inspiration from sources that range from the European avant garde to American genre films This volume provides a stimulating overview of Trier's career while focusing on the more recent work including his controversial Gold Heart Trilogy *Breaking the Waves* *The Idiots* and *Dancer in the Dark* the as yet unfinished USA Trilogy *Dogville* and *Manderlay* and individual projects such as the comedy *The Boss of It All* and the incendiary horror psychodrama *Antichrist* Closely analyzing the films and their contexts Linda Badley draws on a range of cultural references and critical approaches including genre gender and cultural studies performance theory and trauma culture Two revealing interviews that Trier granted during crucial stages of *Antichrist*'s development are also included

Lars von Trier Beyond Depression Linda Badley, 2022-02-15 Lars von Trier built a reputation as a provocateur from the start but in the late 2000s he entered an even more inflammatory phase Amid Cannes controversies *Antichrist* 2009 *Melancholia* 2011 *Nymphomaniac* 2013 14 and *The House That Jack Built* 2018 brandished the cinematic virtuosity von Trier once banned under the Dogme 95 Manifesto while subjecting audiences to extreme cinema Following von Trier's experience of clinical depression in 2006 and 2007 these films took an aggressively personal and retrospective turn against the backdrop of the director's controversy courting public appearances Playing against widespread assumptions Linda Badley takes a reparative approach offering an in depth examination of these four films and the contexts that produced them Drawing on numerous interviews with the director and his collaborators as well as inside access to archival materials she provides a thorough and comprehensive account of von Trier's preproduction and creative

process Highlighting a transmedial turn Badley tracks von Trier's artistic touchstones from Wagner Proust and the Marquis de Sade to Scandinavian erotic cinema and serial killer genre tropes She considers his portrayals of mental illness and therapy gender and sexuality nature and extinction shedding light on the thematic concerns that unite these films as a distinct cycle Offering nuanced readings of these films the book emphasizes the significance of von Trier's work for current critical and philosophical debates showing how they engage with notions of the Anthropocene dark ecology and the postcinematic

At the End of the Road Jorge García-Robles, 2014-10-15 We had finally found the magic land at the end of the road

and we never dreamed the extent of the magic Mexico an escape route inspiration and ecstatic terminus of the celebrated novel *On the Road* was crucial to Jack Kerouac's creative development In this dramatic and highly compelling account Jorge Garc a Robles leading authority on the Beats in Mexico re-creates both the actual events and the literary imaginings of Kerouac in what became the writer's revelatory terrain Providing Kerouac an immediate spiritual freshness that contrasted with the staid society of the United States Mexico was perhaps the single most important country in his life Sourcing material from the Beat author's vast output and revealing correspondence Garc a Robles vividly describes the milieu and people that influenced him while sojourning there and the circumstances between his myriad arrivals and departures From the writer's initial euphoria upon encountering Mexico and its fascinating tableau of humanity to his tortured relationship with a Mexican prostitute who inspired his novella *Tristessa* this volume chronicles Kerouac's often illusory view of the country while realistically detailing the incidents and individuals that found their way into his poetry and prose In juxtaposing Kerouac's idyllic image of Mexico with his actual experiences of being extorted assaulted and harassed Garc a Robles offers the essential Mexican perspective Finding there the spiritual nourishment he was starved for in the United States Kerouac held fast to his idealized notion of the country even as the stories he recounts were as much literary as real **Slocum #386**
