Wicca Magic Vivienne Grant, 2019-03-13 Do you want to start practicing magic Not sure where to begin Become a Wiccan now Wicca is referred to by many as the Old Religion Much of modern television and books draw inspiration from the Witch Trials of the 13th century but in truth the Wiccan religion is not really that old Although it is believed that the rituals and practices were hidden from the Christian Church during the dark ages in which the life of a Pagan would most certainly end in death it was safe enough to surface in more modern times This belief is what originally drew most to the religion and practices of Wicca To become a Wiccan one must be able to put themselves in the boots of those before them To truly understand the laws beliefs and traditions that come with the life of a Wiccan you must have the knowledge of all of its origins The most important thing in a Wiccan's pursuit for a deeper connection and better understanding of Nature and all its divine mystery is the willingness to learn about the history behind that need The Wiccan Religion is truly the only one of its kind It is magical in its own way as it allows each of its followers the freedom to seek out the natural magic of the earth and the magic within themselves in their own way Here is what you will learn from this book What Wicca is History Origin The Philosophy Secret Wiccan Rituals How to create your altar Everything about Herbs How To Have Successful Spellcasting and much much more Get your copy now *WITCHCRAFT: ACTIONABLE WORKBOOK 9 PLUS 1* Sabrina
