S.

Lovett,2019-10-07 Witnessing is not soul winning Soul winning consists of a single task bring a prospect face to face with Christ and press him to receive the Lord as his Savior There's no half way business about it You either get a person to make a decision or you don't If you fail to make the presentation or are interrupted for some reason you simply do not win that soul for Christ If there is no decision there is no soul winning Witnessing on the other hand is a work that can be performed in countless ways The moment a person does anything to share the word of Christ he is a 100% successful Witnessing ranges all the way from hiding a gospel tract in a public place to telling another person what Jesus means to you Therefore soul winning

and witnessing are NOT the same While everyone can witness for Jesus not everyone can win souls at least not at first For decades I have been training soul winners and witnesses It has been my experience that the average Christian doesn't know the difference between the two skills Most think they are synonymous That causes them to shy away from any kind of training Believing there is no way to witness short of winning a soul to Christ they are reluctant to start A multitude of God's people is content to remain silent thinking only of those prepared to win souls are qualified to speak for Christ I estimate that 80% of all believers have this notion Satan is using it to keep them out of action I don't blame them for being frightened Soul winning is a terrifying business until you are equipped with the skill and more importantly have the strength to use it It's a welcome relief therefore to learn that there are two specialties one which is quite difficult and the other very easy I believe that all Christians could become soul winners if they would first work with the Holy Spirit as witnesses There is nothing more torturous than forcing yourself to be a soul winner when you don't have the personality strength for that kind of approach The thing to do is to develop your strength as a witness and then you can tackle the task of soul winning with confidence and enthusiasm I am suggesting that unless you have a vigorous personality strength which allows you to start right off as a soul winner you should forget about it temporarily The Lord is aware of this variable in His people He knows some are endowed with public gifts while others are shy and timid That's why He gave the command to witness You shall be My witnesses Acts 1:8 Everyone can witness even though not all go on to win souls Why There are ways to witness that match the shyness of the timidest soul Everyone can begin with the easiest steps and then with the passing of time graduate to harder ones It is cruel to expect people to perform spiritual tasks that are not consistent with their social strengths There are those who accept the challenge of their pastor or some evangelist to try and be soul winners A sense of duty drives them For a time they go through the nightmare of attempting something beyond their ability but it doesn't last Before long they recoil from it And that's bad Usually it instills a fear from which they are not easily recovered In this book you will learn that witnessing does not mean soul winning that the spirit's power follows your words and tells us exactly what to say and do There are ten steps rungs in our witnessing course Each offers a bit more ego threat than the preceding one We begin the course with secret actions gradually moving closer and closer to people in bite sized steps that are fun As soon as a person absorbs all the threats at one level he advances to the next higher level Are you ready to go up the ladder
