The Day of Doom; Or, a Poetical Description of the Great and Last Judgement Michael Wigglesworth,2019-11-27 In *The Day of Doom Or a Poetical Description of the Great and Last Judgement* Michael Wigglesworth presents a profound exploration of Puritan theology and eschatology through the lens of 17th century verse This didactic poem structured in a compelling narrative form serves both as a vivid dramatization of the Last Judgement and a cautionary tale that reflects the anxieties of a society grappling with sin and redemption Wigglesworth's masterful use of vivid imagery coupled with a rhythmic cadence invites readers into a meticulously crafted world of divine judgment that resonates with the era's moral complexities and theological preoccupations Wigglesworth a prominent Puritan minister and poet of colonial America wrote this influential work in 1662 encapsulating both the religious fervor and historical context of the time His experiences as a

minister in New England informed his profound understanding of human fallibility which is omnipresent in this poem The vivid portrayal of Heaven and Hell reflects not only his theological convictions but also the cultural milieu of early American society characterized by a deep seated fear of divine retribution The Day of Doom is essential reading for anyone interested in early American literature theological studies or the evolution of poetic forms Its exploration of eternal themes such as mortality sin and hope provides a rich tapestry that is as relevant today as it was in the 17th century Wigglesworth s lyrical prowess and moral imperative make this work a seminal piece that significantly contributes to our understanding of Puritan thought and the complexities of human existence In this enriched edition we have carefully created added value for your reading experience A succinct Introduction situates the work s timeless appeal and themes The Synopsis outlines the central plot highlighting key developments without spoiling critical twists A detailed Historical Context immerses you in the era s events and influences that shaped the writing An Author Biography reveals milestones in the author s life illuminating the personal insights behind the text A thorough Analysis dissects symbols motifs and character arcs to unearth underlying meanings Reflection questions prompt you to engage personally with the work s messages connecting them to modern life Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read

Notes of an Overland Journey Through France and Egypt to Bombay, Bimbashi Baruk of Egypt, Morning Star, The Egyptian Fire-Eater, The Wave: An Egyptian Aftermath, All for Love : The World Well Lost A Tragedy, The Egyptian Maid: A Romance of the Water-Lily Miss Emma Roberts,Various Authors,Sir Henry Rider Haggard,Sax Rohmer,Algernon Blackwood,John Dryden,Rudolph Baumbach,William Wordsworth,2020-09-18 Experience has especially of late years amply refuted the barbarous error which attributes to Nature a niggardliness towards the minds of that sex to which she has been most prodigal of personal gifts the highest walks of science and literature in this country have been graced by female authors and perhaps the purity and refinement which pervade our works of imagination compared with those of former days may not unjustly be traced to the larger share which feminine pens now have in the production of these works It would appear to countenance the heretical notion just condemned to assume that a robust organization is essential to the proper development and exercise of the powers of the understanding but it is certain that in several instances

individuals who have exhibited the most striking examples of female pre eminence have not reached the full maturity of their intellectual growth but have been lost to the world in a premature grave to the names of Felicia Hemans and Laetitia E Landon besides others is now added that of Emma Roberts who although in respect of poetical genius she cannot be placed upon a level with the two writers just named yet in the vigour of her faculties and in the variety of her talents is worthy of being associated with them as another evidence against the asserted mental inequality of the sexes Miss Roberts belonged to a Welsh family of great respectability Her grandfather who was a gentleman of good property and served the office of High Sheriff for Denbighshire North Wales possessed the fine estate of Kenmell Park in that county which was disposed of after his death to Colonel Hughes the present Lord Dinorben whose seat it continues to be He had three sons all of whom entered a military life which seems to have had peculiar attractions to this gallant family The eldest the late General Thomas Roberts raised a regiment which became the 111th and it is said he frequently officiated as Gold Stick in Waiting to George the Third A son of General Roberts was aide de camp to Sir Arthur Wellesley in Portugal was taken prisoner by the French and detained during the war he afterwards rose to the rank of lieutenant colonel The second son Colonel David Roberts of the 51st regiment distinguished himself in the Peninsular war having on the 7th January 1809 during Sir John Moore s retreat near the heights of Lugo headed a party which repulsed the French Light Brigade on which occasion his cloak was riddled with bullets two of which passed through his right hand which was amputated He was then a major but afterwards commanded the regiment in Lord Dalhousie s brigade and subsequently in Flanders and was so seriously and repeatedly wounded that his pensions for wounds amounted to 500 a year Colonel Roberts was an author and wrote amongst other things the comic military sketch called Johnny Newcome The youngest son William the father of Miss Roberts in the course of his travels on the continent in early life formed some intimacies at the Court of St Petersburg to which he was introduced by the British Ambassador and eventually entered the Russian service he was made aide de camp to General Lloyd his countryman and served with great distinction in several campaigns against the Turks He afterwards entered the British army but had not attained a higher rank than that of captain with the paymastership of his regiment when he died leaving a widow a son who died a lieutenant in the army and two daughters Emma the youngest daughter of Captain Roberts was born about the year 1794 After the death of her father she resided with her mother a lady of some literary pretensions at Bath Though possessed of a very attractive person though of a lively disposition and peculiarly fitted to shine in the gayest circles of social life her thirst for letters was unquenchable and the extent of her reading proves that her early years must have been years of application
