

DBQ 9: TRADE AND INTERACTION

Historical Context

Trade, conquest, and warfare have impacted peoples around the world throughout history. These interactions have changed the cultures of the societies involved in positive and negative ways.

■ **Directions:** The following question is based on the accompanying documents in Part A. As you analyze the documents, take into account both the source of each document and the author's point of view. Be sure to do each of the following steps:

1. Carefully read the document-based question. Consider what you already know about this topic. How would you answer the question if you had no documents to examine?
2. Read each document carefully, underlining key phrases and words that address the document-based question. You may also wish to use the margin to make brief notes. Answer the questions that follow each document before moving on to the next document.
3. Based on your own knowledge and on the information found in the documents, formulate a thesis that directly answers the document-based question.
4. Organize supportive and relevant information into a brief outline.
5. Write a well-organized essay proving your thesis. You should present your essay logically. Include information both from the documents and from your own knowledge beyond the documents.

Question: Choose two world regions (China, Africa, Europe, the Middle East, or the Americas). How did trade have positive and/or negative effects on the people in two of those regions?

PART A

The following documents deal with trading interactions among various world regions. Examine each document carefully. In the space provided, answer the questions that follow each document.
