

The background image is a photograph of a city walkway at night. The scene is shrouded in a thick, orange-tinted fog or mist. On the left side, a series of black, ornate streetlights are visible, with the nearest one being particularly bright. A dark metal fence runs along the right side of the path. The ground is paved with light-colored stones or bricks. The overall atmosphere is mysterious and somewhat eerie.

Traditional Witchcraft For Urban Living:

Paganism 101 Trevor Greenfield,2014-02-28 *Paganism 101* is an introduction to Paganism written by 101 Pagans Grouped into three main sections Who we are What we believe and What we do twenty topics fundamental to the understanding of the main Pagan traditions are each introduced by essay and then elaborated upon by other followers and practitioners giving the reader a greater flavor of the variety and diversity that Paganism offers With introductory essays from leading writers such as Emma Restall Orr Mark Townsend Brendan Myers Jane Meredith Alaric Albertsson and Rachel Patterson and with supporting vignettes from those at the heart of the Pagan community *Paganism 101* offers a truly unique insight

Pagan Portals - Western Animism Melusine Draco,2019-07-26 A Zen approach to the World the Universe and Everything Many of today s disenfranchised pagans in the West appear to be seeking a spiritual connection to life without feeling the need to become a witch a Wiccan a shaman Heathen or a Druid Here the Shinto approach fulfils the basic need for a belief system based on what we would define as simple animism and ancestor worship in accord with the world s other authentic animistic traditions such as the Australian Aboriginal and Native American way of life while Zen provides the intellectual stimulation rising from the simplicity of basic folk belief to elevate the soul to a higher level of mysticism

Pagan Portals - Sexual Dynamics in the Circle Melusine Draco,2021-03-26 One of the most significant social changes in the 20th century was the wedge driven between the males and females of Craft as a result of social media and political feminism From a purely magical point of view the battle of the sexes has been one of the most negative crusades in the history of mankind since everything in the entire Universe is made up from a balance or harmony of opposite energies Men and women are different as night and day but still part of the same homo sapiens coin regardless of their individual sexuality

Pagan Portals - The Inner-City Path Melusine Draco,2020-10-01 *Pagan Portals The Inner City Path A Simple Pagan Guide to Well Being and Awareness* was inspired by Chet Raymo s book of similar title that chronicled his own daily urban walk to work and his observing the seasonal changes with a scientist s curiosity The Inner City Path is written from a pagan perspective for those times when we take to our local urban paths as part of our daily fitness regime or dog walk It is based on several urban walks that have merged together over the years to make up a book of the seasons and offers a glimpse into the pagan mind set that can find mystery under every leaf and rock along the way A simple guide to achieving a sense of well being and awareness

Magic Crystals, Sacred Stones Melusine Draco,2012-09-28 *Magic Crystals Sacred Stones* is aimed at those who have explored crystal working as a beginner and who now wish to understand the mysteries of the Earth at a deeper level

Pagan Portals - Divination Melusine Draco,2018-08-31 *Divination* is only a small part of a witch s stock in trade and although a basic introduction to the subject can be learned from books proficiency will only come through vigorous practice This proficiency comes through the discovery of certain secret matters by a great variety of means correspondences signs and occult techniques Before a witch can perform any of these operations with any degree of success

we need to develop the art of seeing and the ability to divine with rod fingers and birds Divination is what could be referred to as the practical element of Craft magic and we don't even have to be witches to be able to read the portents But it helps A companion volume to Pagan Portals By Spellbook Candle and Pagan Portals By Wolfsbane Mandrake Root from popular Moon Books author Melusine Draco **Modernity and the Construction of Sacred Space** Aaron French, Katharina Waldner, 2024-07-01 This volume focuses on the connection between modern design and architectural practices and the construction of sacred spaces Not only language and ritual but space place and architecture play a significant role in constructing special or religious spaces However this concept of a constructed sacred space remains undertheorized in religious studies and the history of art and architecture in general This volume therefore revisits the question of a modern sacred space from an interdisciplinary perspective focusing on religion space and architecture during the emergence of the modern period and up until contemporary times Revisiting the ways in which modern architects and artists have endeavored to create sacred spaces and buildings for the modern world will address the underlying questions of how religious ideas especially those related to esotericism and to alternative religiosities have transformed the way sacred spaces are conceptualized today The Dictionary of Magic & Mystery Melusine Draco, 2012-05-25 Every good reference book is both a product and a reflection of its time The Dictionary of Magic Mystery is not just another compendium or dictionary of occultism it is a jumping off point for further research Here the reader will find the ancient and modern interpretation for magical and mystical terms together with explanations for the differences between the varied and often conflicting approaches to magic Pagan Portals - Sumer Is Icumen In Melusine Draco, 2022-04-29 In Sumer is Icumen In we discover new and exciting ways of surviving and enjoying the truly pagan excesses of the Midsummer Festival Here we can establish and instigate a new smorgasbord of traditions of our own for the purpose of celebration and observance and in time even though we must never lose sight of our authentic history they may even be integrated into future pagan revels *Pagan Portals - Have a Cool Yule* Melusine Draco, 2017-11-24 For the entire Pagan community Christmas should be one of the most sacred times of the year but the lack of any formal written liturgy has consigned the festival to a minor observance in the Pagan calendar Have a Cool Yule demonstrates that history proves the festival to be a wholly Pagan event worthy of being acknowledged as one of the Great Festivals along with Beltaine and Samhain With all the different strands of Pagan custom brought to the hearth fire of the Mid Winter Festival we all have something to celebrate in time honoured fashion whether our ancestors are Briton Celt Norse or Anglo Saxon
