Florida Traffic Ticket Defense William David Moffat, **The Traffic Ticket Handbook** David N. Jolly, 2011-11 The Traffic Ticket Handbook How to Beat your Traffic Ticket More than 100 000 people receive a speeding ticket in the United States on a daily basis This translates into more than 36 500 000 tickets every single year being issued to drivers in the United States It has been concluded that the average fine for a traffic ticket is approximately 150 which translates into nearly 5 4 billion in revenue for the government or branches of annually However anyone who has received a speeding ticket or two understands that the financial pain is not restricted to the dollar amount on the face of the ticket The collateral consequences of traffic tickets also impact a driver s insurance The insurance companies in the United States seek billions of dollars per year in raised premiums from drivers who have committed traffic violations It should therefore be obvious that the government and insurance companies benefits from driver indiscretions and the dutiful work of thousands of police officers Whether the government admits it or not traffic tickets are a wonderful way to raise revenue And with the Country in an undeniable financial panic and near bankruptcy what better way to quash the financial fears than by robbing its citizens If you have recently received a traffic ticket you are well aware of how expensive they are Further the costs of some individual traffic tickets are illogical and offensive The manner in which officers are quietly informed to fill their quota of traffic tickets is the modern equivalent of the Roman Empire s tax collectors Therefore if you have received a traffic ticket particularly one that is considered a moving violation why wouldn t you fight it Some states consider such minor violations criminal so you must fight these allegations to preserve your record Too much is at stake For those states that consider traffic violations mostly civil you should still fight as there undoubtedly will be negative impact if you do not More to the point the financial penalties are arbitrarily set so at the very least fight the amount indicated on the face of the ticket We all try to limit our taxes lawfully and ultimately this is simply another form of taxation The Traffic Ticket Handbook is specifically dedicated to those individuals who have been cited for speeding tickets or any moving violation and wish to learn more about the traffic ticket process and how to fight and beat the ticket If you have been cited and need to protect your insurance and driving
