Best Practices to Design E-learning for Medical Representatives

Medical representatives face many problems while promoting their companies' products to physicians. Here let us see some best practices to make their training effective.

Share the **benefits of training** and the value it provides to them in their job right at the beginning.

Add clear learning objectives that specify the intended outcome for each module.

Ask thought-provoking questions in the form of "Do You Know?" or "Can You Recall?" to engage them with the content.

Include clinical application of the drug at the end of the module to prepare sales reps for questions asked by physicians.
