Balikwas is a Tagalog word virtually untranslatable into English It signifies a startling change such as an awakening It can also mean going over to the other side Chris Payne writes about making a change a change of moving his life to the other side of the world when he and wife Loydz emigrated to The Philippines The book is an account of what needed to be done at each end of the project as they came to call it but it also includes amusing asides about life and its quirks It can be read as a simple how to do it guide for anyone contemplating emigration either to The Philippines or elsewhere Or it could be seen as a comic account Most of all though it is an encouraging and life affirming story of how even late in life one can still change ones life and enjoy new and interesting experiences in a far away country **Bizarre Laws & Curious Customs of the UK** Monty Lord,2023-05-10

A curious comical and highly entertaining read full of eccentric laws and customs that have led to our rich legal heritage Lubna Shuja President of The Law Society of England and Wales In the UK we have some bizarre laws that have littered the statute books of our sceptred isle throughout history Not all of them have been repealed over the centuries Some of them made perfect sense at the time they were introduced but seen through modern eyes now appear archaic and draconian Despite the great efforts of the Law Commission in England and Wales to review and recommend reforms for many of these outdated laws there are centuries of law that must be painstakingly gone through As well as some bizarre laws the UK also has its fair share of curious customs and time honoured traditions that have been observed for centuries On the surface many appear to be nothing more than theatrical pomp and pageantry However they are all born from strong rationale The UK parliament seems to have had a particular penchant for passing laws related to fish and animals indecency and passing sentences with some humiliating public punishments This book is a highly entertaining read for anyone who enjoys learning about the more bizarre applications of UK law throughout the centuries along with some rather macabre consequences along the way Have you ever heard a bizarre law and thought that can t possibly be true Is it genuine Was it ever in existence or just an urban myth that became so embellished over time There are surprisingly a great many laws still in existence on the statute books today that would make your jaw drop Whilst bizarre as these laws may now seem to us it begs the question are we in fact unknowingly breaking these laws on a regular basis For example Is it illegal to own a pet whale but not a tiger Was it illegal for women to argue quarrel Is it legal to carry a ladder along a street Were mince pies once illegal Who owns your passport all these questions and more will be answered in this Volume 2 of a 3 volume series by Monty Lord Reading this book you may be inclined to laugh heartily let out a sorrowful cry or recoil in abject horror at some of the more gruesome sentences passed for breaking these weird laws With over 160 bizarre but nevertheless true laws and customs you can use this book to satisfy your curiosity about what our ancestors had to contend with over the years

or perhaps as a reference guide for trivia quizzes *The perfect equation* Stefano Conti, 2023-10-11 Crime and Mystery Novel A professor of a prestigious high school in Piedmont plunges at night into an isolated beach in Liguria In his hand he clutches an ancient Egyptian talisman At dawn two students Giulia and Riccardo see the lifeless body of their teacher emerge from the sea A quiet school trip thus turns into a frantic search to discover the mystery hidden behind that death With the help of their classmates the boys venture through the streets of a city that is both fascinating and disturbing Turin the world capital of white magic and black magic The protagonists sucked into a vortex of enigmas face an obscure path that leads them from the Book of the Dead to the Holy Shroud from the Angelic Fountain to the Devil s Door An enthralling and profound thriller that crosses over into the occult in an eager crescendo until the final twist Translator LRizzi Erneste PUBLISHER TEKTIME
